鬼滅の刃 12 [Kimetsu no Yaiba 12] 12 book pdf

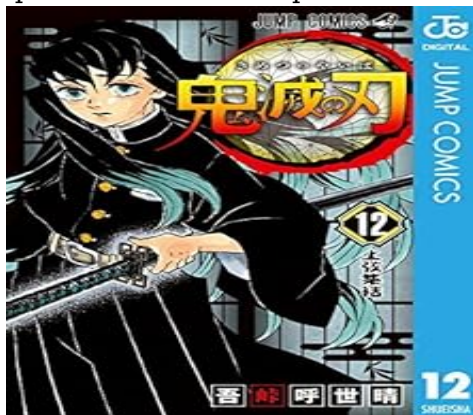

#12) This was a great volume and deals with the gathering of the Upper Moon 6 and Muzan has plans for them and somewhere else Tanjiro recovers and goes to the Swordsmith's village in order to get his sword from Haganezuka and it's amazing to see that and all his training with Kotetsu and him gaining new swords and allies and learning something about his lineage and meeting Tokito but then again peace doesn't last as he has to face the upper demons now. **Book 鬼滅の刃 12 [Kimetsu no Yaiba 123books]** Japanese After the last of couple of volumes involving heavy actions and emotional trainwrecks.
