

The Murder of King Tut By James Patterson **The murder of king tut james patterson** Behind the palace's veil of prosperity bitter rivalries and jealousy flourished among the Boy King's most trusted advisors and after only nine years King Tut suddenly perished his name purged from Egyptian history. **The murder of king tut summary** The keys to an unsolved mystery Enchanted by the ruler's tragic story and hoping to unlock the answers to the 3000 year-old mystery Howard Carter made it his life's mission to uncover the pharaoh's hidden tomb. **The murder of king tut summary** The clues point to murder Now in The Murder of King Tut James Patterson and Martin Dugard dig through stacks of evidence--X-rays Carter's files forensic clues and stories told through the ages--to arrive at their own account of King Tut's life and death. **Murder kingston ontario** The Murder of King Tut I don't like James Patterson and here's why in four long-winded personal reasons that most Patterson fans will simply write off as nit-picking petty or just plain wrong but whatever: 1) Nobody can convince me that he actually writes his own books anymore. **Murder kingston ontario** I have no actual proof that he doesn't but I'm fairly certain—based on the circumstantial evidence that I'm about to lay down—that he does NOT in fact write his own books. **Murder kingston ontario** And I'm sorry but no writer can single-handedly write the number of books he seems to churn out in a month without the help of a co-writer or a ghost writer getting co-writer credit. **Murder kingston ontario** 3) I read "The Murder of King Tut" which claims to be nonfiction (it says so on the cover) but for a book which claims to be nonfiction and supposedly full of factual information there is not an iota of an attribution credits footnotes endnotes or sources anywhere in the book. **Murder king assassin game** The parts set during Ancient Egyptian times (14th century) read like sections from a novel which is what they are because I am sure that there is no way Patterson knew what the hell King Tut ate or wore on any given day or who Tut slept with. **Murder kingston ontario** 4) Patterson annoyingly interjects himself into his own narrative in such a meaningless and distracting way that even if the book were in any way interesting (which it's not) it actually makes the book more stupid. **The murder of king tut summary** Note to writers: don't keep telling the reader you know who the killer is and then—bam!—get to the end and surprise them with "Ha! Just kidding! I don't really know who the killer is! Just speculation!" Besides pissing off the reader you're actually killing your own credibility. **The murder of king tut james patterson** The tale is told on three levels: chapters highlighting how Patterson visited the recent controversial Tut exhibit that toured America a couple of years ago chapters that introduce readers to the life of archaeologist and Tut tomb founder Howard Carter and chapters covering the short life of Tut himself. **Murder kingston ontario** It is clear that Patterson and Dugard only did a cursory search of information about Tut and his family and the events surrounding his death as most of what is presented is connected to out of date theories. **Murder king assassin game** During his reign much was done to reinstate the gods and both he and his wife Ankhesanamon dropped the Aten from their names to be replaced by the traditional lord of the gods Amun. **Murder king assassin game** To be honest it almost feels like Patterson and Dugard basically sat down and watched The Face of Tutankhamun a pretty good but outdated 3-part documentary put out by the BBC in 1993. **The murder of king tut summary** For example the head injury cited in the book as possibly playing a major role during his death is now believed to have been caused by the embalming process after Tut's skull has been examined with modern MRI technology. **The murder of king tut by james patterson pdf** There are more than a few instances of a chapter ending in the middle of a scene and then the very next chapter beginning EXACTLY where the last left off with no discernible reason for the break. **The murder of king tut by james patterson pdf** I also noticed that Patterson or possibly his editors ended each chapter as early or high-up on the page as possible and the font is fucking huge and his sentences and paragraphs are incredibly simple and short so the thing reads almost as quick as Everybody Poops despite being 350 pages. **Murder king assassin game** When I got to around page 52 and Ay (misspelled Aye) was ogling Nefertiti only the fact that I had got the book from the library saved it from being hurled across the room with great force. **The murder of king tut summary** Obviously his co-writers do most of the work and I suspect in this case Patterson merely wrote the self-serving self-descriptive entries and broke the book down into his famous two page chapters because he

thinks his readers are such numbskulls that they cannot concentrate for more than sixty seconds at a time,

[{site_link}](#) ReadKiddoReadJames Patterson is the world's bestselling author, **The murder of king tut by james patterson pdf** Among his creations are Alex Cross the Women's Murder Club Michael Bennett and Maximum Ride, **Murder king assassin game** His #1 bestselling nonfiction includes Walk in My Combat Boots Filthy Rich and his autobiography James Patterson by James Patterson: **The murder of king tut summary** He has collaborated on novels with Bill Clinton and Dolly Parton and has won an Edgar Award nine Emmy Awards and the National Humanities Medal, **Murder kingston ontario** [{site_link}](#) A secret buried for centuries Thrust onto Egypt's most powerful throne at the age of nine King Tut's reign was fiercely debated from the outset, **The murder of king tut by james patterson pdf** He began his search in 1907 but encountered countless setbacks and dead-ends before he finally uncovered the long-lost crypt: **The murder of king tut james patterson** The result is an exhilarating true crime tale of intrigue passion and betrayal that casts fresh light on the oldest mystery of all, **The murder of king tut by james patterson pdf** I'm sure early in his career he actually did his own writing, **Murder king assassin game** Now though I'm pretty sure that he shops his book ideas around to other writers which is why you never see a James Patterson novel with just his name on it anymore: **Murder king assassin game** There is always a co-writer's name on the cover usually in half the font size below Patterson's giant-fonted size name. **The murder of king tut by james patterson pdf** I'm sure these co-writers are getting a pretty penny in royalties while Patterson is getting the main credit but these co-writers are probably doing all the writing, **The murder of king tut summary** Unless of course Patterson is on a cocktail of meth cocaine and No-Doze. **The murder of king tut by james patterson pdf** He tends to write at a fourth-grade level which is probably insulting to most fourth-graders. **The murder of king tut by james patterson pdf** I often can't tell if his intended audience is young adult or people who think Donald Trump is a genius: **The murder of king tut by james patterson pdf** To be fair I've read plenty of young adult authors who are far better wordsmiths than Patterson, **The murder of king tut by james patterson pdf** Listen I'm not putting down Patterson simply because he writes at a fourth-grade level: **The murder of king tut by james patterson pdf** The details he includes tend to be extraneous while he on more than a few occasions leaves out significant details. **The murder of king tut by james patterson pdf** His notoriously short chapters may make the story seem to go by quicker but it does nothing to improve the actual story: **The murder of king tut james patterson** Patterson seems to live by the motto "less is more" but in some cases "less is just less". **Murder king assassin game** Patterson may very well have a time machine was able to go visit Tut interview him talk to his servants and relatives and concubines and the Egyptian man on the street, **The murder of king tut james patterson** If Patterson had simply called his book a "novel" I wouldn't be complaining: **The murder of king tut by james patterson pdf** Sadly Patterson isn't just ruining his own reputation with this he's also hurting the street-cred of his co-writer Martin Dugard, **Murder king assassin game** (If the name sounds familiar it's because he's the co-writer for Bill O'Reilly on all his "Killing" books. **The murder of king tut by james patterson pdf**) My

guess is Dugard did all the hard research and fed it all to Patterson but Patterson didn't feel the need to share all the hard work that went into the research. **The murder of king tut by james patterson pdf** Why not? Because Patterson didn't do it himself so it doesn't matter: **Murder kingston ontario** I don't need Patterson to tell me three times that he knows who murdered King Tut: **The murder of king tut by james patterson pdf** Especially when in the end he essentially leaves the reader hanging with the worst cop-out ending, **The murder of king tut by james patterson pdf** It worked in the movie "Clue" but it doesn't work here: **Murder kingston ontario** Why the fuck would I ever want to read another Patterson novel after this one? Answer: I wouldn't. **Murder king assassin game** English Put your seat belts on because this is going to be a bumpy review. **Murder kingston ontario** In all his arrogance Patterson claims to have done a great deal of research as he and Martin Dugard try to solve the mystery of the boy king Tutankhamun: **The murder of king tut by james patterson pdf** This is not non-fiction as it claims to be but historical fiction. **The murder of king tut by james patterson pdf** The writing is light and breezy as most of Pattersons other works which makes it a comfortable and quick read. **Murder kingston ontario** The main problem is that the book is simply full of errors, **The murder of king tut by james patterson pdf** For example the vizier Aye which is traditionally spelled Ay is generally considered the father of Nefertiti (Tut's step mother), **Murder king assassin game** It is quite bothersome to see Patterson have him practically ruling over her through most of the early part of the book. **The murder of king tut by james patterson pdf** It is generally believe that Tut lived for quite some time as he ruled and he and his wife are considered models of ancient romance, **Murder kingston ontario** As a result major holes are punched into the theories presented by Patterson and Dugard as to who killed the boy king, **The murder of king tut summary** Howard Carter is also presented as a talented archaeologist who worked hard to find success and was beaten down by others. **The murder of king tut summary** In some ways this was true but he was also considered by many of his contemporaries to be arrogant and boorish, **Murder king assassin game** Few wanted to work with him or respected him before and after the finding of Tut's tomb, **The murder of king tut by james patterson pdf** He is well-known and respected for the findings but he was not well-loved. **The murder of king tut by james patterson pdf** Much of the proposed theories in the book are similar though many have been overruled by new scientific techniques and further findings in the field. **The murder of king tut summary** It irks me that a book filled with this many errors is being marketed as non-fiction particularly in light of the fact that the format of the presentation is novelization, **The murder of king tut by james patterson pdf** Those with any knowledge of ancient Egypt's 18th Dynasty will see the wholes and the general public will find themselves misled: **The murder of king tut by james patterson pdf** Writers of historical fiction are allowed to take liberty with the facts as the storytelling is at the core of the presentation, **The murder of king tut summary** Writers of non-fiction should not since they are presenting things as being fact: **The murder of king tut by james patterson pdf** He should be ashamed and should maybe consider actually contacting an Egyptologist if he would like to try this again: **Murder kingston ontario** Those looking for great mysteries set in King Tut's time should read the Lord Meren series by Lynda S: **The murder of king tut summary** There is also the mystery series by Lauren Haney that focuses on Lt, **The murder of king tut by james patterson pdf** Other great writers with stories centering around ancient Egypt include Judith Tarr Pauline Gedge and Michelle Morin: **The murder of king tut by james patterson pdf** For those looking for mysteries relating to archaeologist the best choice is the Amelia Peabody series by Elizabeth Peters the pen name of well-respected egyptologist Barbara Mertz. **The murder of king tut james patterson** Mertz would greatly disagree with the view of Carter presented in Patterson's work: **The murder of king tut by james patterson pdf** As for looking for biographies about Nefertiti Tut Akenaten or any other of the people presented in the book there is no shortage of great works by specialists in the field. **The murder of king tut summary** English I'm half way through with the book and like a few of other reviewers have mentioned: **The murder of king tut by james patterson pdf** as soon as I read how much time and effort went into the researching of this book my cynical side came out. **The murder of**

king tut by james patterson pdf I'm thinking don't tell me how much time you put into it but let me gauge that for myself after I've read it, **The murder of king tut by james patterson pdf** I'm no Egyptologist by any stretch but for a book that has been heavily researched it is definitely light on details: **Murder kingston ontario** another thing I don't like is when the author places himself within the story, **Murder king assassin game** I had stopped reading Patterson because I was just so dammed tired of the Dr: **The murder of king tut james patterson** I was hopeful when I saw his latest book but after half way through it's more of the same from Patterson: **Murder kingston ontario** a book to read on the the bus commuting back and forth to work, **Murder kingston ontario** Yeah I can't get over the fact that set aside entire chapters for himself, **The murder of king tut by james patterson pdf** This idiot thinks he was the first to consider that Tutankhamen may have been assassinated and that he alone has solved his murder, **The murder of king tut by james patterson pdf** I mean I don't think he ACTUALLY believes that but I do think he believes it's easy as hell fool adults into believing that: **Murder kingston ontario** It's painfully obvious that he considers his adult audience to be dumb as fuck: **The murder of king tut by james patterson pdf** There are a million chapters in this shitty book but why one chapter ends and another begins is very often incomprehensible: **Murder king assassin game** Most every chapter is literally only about 2-4 pages long and in between each one is a chapter heading that takes up about half a page, **Murder king assassin game** Except it's oh so very adult with lots and lots of disgusting underage sister-fucking that Patterson tries to portray as romantic, **The murder of king tut james patterson** Patterson also finds a way to write himfuckingself into the book as a heroic scholarly history buff who does a buttload of research trying to crack the case. **The murder of king tut by james patterson pdf** But oh yeah actually all he did was attend 2 Tut museum exhibitions. **The murder of king tut by james patterson pdf** He admits that he's not really that interested in Tut what really interests him is that so many others are. **The murder of king tut summary** I've never read any other Patterson shit and don't plan to. **The murder of king tut james patterson** I got qualms about it when I came across the tomb building slaves being slaughtered in the desert. **The murder of king tut james patterson** As the tomb builders were highly skilled artisans this was a load of bollocks to start with. **Murder kingston ontario** Many of his finds are in the British Museum and I have seen them with my own eyes. **Murder king assassin game** Ay and Teya were the parents of Nefertiti who had one sister who was married to Akhenaten's war leader Horemheb (who later became pharaoh himself), **Murder king assassin game** The research that Mr Patterson boasts about at the book's beginning is laughable crap. **The murder of king tut james patterson** English I am a huge lover of history especially during mythological religions: **The murder of king tut by james patterson pdf** I also have been deeply sucked into the Alex Cross series and love James Patterson's writing: **Murder kingston ontario** Understandably that left me VERY excited when I discovered this book, **The murder of king tut by james patterson pdf** The book is told in 3 parts so I will assess eachThe Egyptian back story spans across generations to backfill the reader with events that meet up to Tut as Pharaoh, **Murder king assassin game** I LOVED this section 4 stars and only because there was so much skipping around when I wanted MORE. **The murder of king tut by james patterson pdf** I mean maybe he was successful and I'm sure his character was based on reports about him. **The murder of king tut by james patterson pdf** But man did I NOT like him and even got to the point where I didn't want him to be successful because he was such a jerk: **The murder of king tut james patterson** Then there was the story of James Patterson himself and his research cohorts as they studied to unearth the story and try to prove his theory of murder. **Murder kingston ontario** Overall the pace was excruciatingly slow especially in the Carter sections and I found it hard to enjoy the story. **The murder of king tut by james patterson pdf** He had a great theory and I was interested in it but the delivery made it hard to enjoy the process. **The murder of king tut james patterson** English This has got to be the most awful book I have read in a long time if not my entire life: **The murder of king tut by james patterson pdf** I have never read a James Patterson book never had an urge: **The murder of king tut james patterson** The only reason I picked this one up was because it sounded interesting as an historical novel. **The**

murder of king tut summary There are over 100 chapters in this book and it is not that long:
Murder king assassin game Patterson goes as far as making himself a character in this book. **The murder of king tut by james patterson pdf** That just shows you how much this books sucks when the author decided to insert himself in it as a self-righteous detective. **The murder of king tut by james patterson pdf** Patterson's 'theory' on Tut's death is completely absurd and he shows no evidence of his thesis even though he says he studied the history of the boy King extensively,
Murder king assassin game He basically wrote a historical fiction and then at the end randomly states that this is my thesis on how Tut died and it's the truth: **The murder of king tut by james patterson pdf** English To say Patterson writes ten books a year is supposed to be a compliment,
The murder of king tut by james patterson pdf Was Tutankhamun murdered? As an aficionado of Egyptian history I'm well aware of the controversy in the scientific community over this very issue,
The murder of king tut by james patterson pdf In short Tut either died by an accident or was murdered by someone in the royal household, **Murder king assassin game** James Patterson is a pedestrian writer whose books are the literary equivalent of daytime television: you can skip entire chapters/episodes and not miss a thing: **The murder of king tut james patterson** English I randomly picked this up at the library and am so glad I did: **The murder of king tut by james patterson pdf** I knew almost nothing about King Tut and am now fascinated and need to know more, **The murder of king tut summary** James Patterson was true to his writing style and love for short chapters which helped move this book along: **The murder of king tut by james patterson pdf** It mostly goes back and forth between Ancient Egypt and the people who would later discover his hidden tomb, **The murder of king tut by james patterson pdf** It also focuses on how Tut was murdered and the turmoil happening during his reign. To this day his death remains shrouded in controversy. Which could explain the next reason...2) His writing sucks. It's also what he writes. The sentences are sloppy. I could be wrong. But I doubt it. Okay. Yeah I would. It would still suck. This is the first time I have not enjoyed Patterson. I am actually disgusted. Robinson. Bak a Medjay detective during the time of Hatshepsut. Both Amelia and Dr. Any of them would be better than this.ego ego & more ego. Cross super hero and Lyndsay Boxer and her posse. I'm done with this book and yes it is official.I will not read Patterson from here on out.Get over yourself already. English UNBELIEVABLE. The worst book I've ever read in my life. Laughably bad. Which by the way is fucking insulting. The guy is a turd and a joke. He's a joketurd. Fuck him. English I am not going to glorify this with any stars. Ask John Romer. he excavated their village and wrote a book about them.Ay was the FATHER of Nefertiti. This is verifiable FACT. but it was a big letdown. Howard Carter the Egyptologist. It was definitely not the best work of James Patterson. I can't rate it higher than that. It was OK which is 2 stars on Goodreads. He bills this book as a 'non-fiction thriller'. This is complete and utter bulls**t. I was a history major in undergrad. I have read PLENTY of non-fiction books. This is NOT one of them. Patterson is making crap up as he goes along. He's making these real people into fictional characters. It's a huge shame. And there is no 'thriller' anything about thing book. It is written on a child's level. It's very simple the dialogue is too easy. Each chapter is about 1-3 pages each. I solved the mystery of his death. Case closed. When there wasn't even a mystery to begin with. For God's sake skip this piece of crap. It's not worth anyone's time. It shouldn't be.He may be right if you judge his readers by the writer. But Patterson et al. do not resolve the mystery so be forewarned. That is the extent of Patterson's revelation. I'm not kidding. In fact in this case you can even skip the ending.I wish I'd skipped the beginning and the middle too. English Mildly engaging. OVERALL GRADE: C plus. English
