

Knowledge-Based Intelligent Information and Engineering Systems: 9th International Conference, KES 2005, Melbourne, Australia, September 14-16, 2005, ... IV (Lecture Notes in Computer Science, 3684) By Rajiv Khosla

## Knowledge-Based Intelligent Information and Engineering systemsquad

Dear delegates, friends, and members of the growing KES professional community—come to the proceedings of the 9th International Conference on Knowledge-Based and Intelligent Information and Engineering Systems hosted by La Trobe University in Melbourne, Australia.

**Book Knowledge-Based Intelligent Information and Engineering Systems healthcare** The KES conference series has been established for almost a decade and it continues each year to attract participants from all geographical areas of the world including Europe, the Americas, Australasia, and the Pacific Rim.

**Knowledge-Based Intelligent Information and Engineering Systems epub**

**air** The papers for KES 2005 were either submitted to invited sessions chaired and organized by respected experts in their fields or to a general session managed by an extensive International Program Committee or to the Intelligent Information Hiding and Multimedia Signal Processing (IIHMSP) Workshop managed by an International Workshop Technical Committee.

**Book Knowledge-Based Intelligent Information and Engineering systems** The KES conferences cover a wide range of intelligent systems topics.

**Book Knowledge-Based Intelligent Information and Engineering systems** The broad focus of the conference series is the theory and applications of intelligent systems.

**Knowledge-Based Intelligent Information and Engineering Systems booklet** From a pure research field, intelligent systems have advanced to the point where their abilities have been incorporated into many business and engineering application areas.

**Book Knowledge-Based Intelligent Information and Engineering systems engineering** KES 2005 provided a valuable mechanism for delegates to obtain an extensive view of the latest research into a range of intelligent-systems algorithms, tools, and techniques.

**Book Knowledge-Based Intelligent Information and Engineering systems theory** The conference also gave delegates the chance to come into contact with those applying intelligent systems in diverse commercial areas.

**Knowledge-Based Intelligent Information and Engineering Systems epub** The combination of theory and practice represented a unique opportunity to gain an appreciation of the full spectrum of leading-edge intelligent-systems activity.

**Book Knowledge-Based Intelligent Information and Engineering systems** Knowledge-Based Intelligent Information and Engineering Systems: 9th International Conference KES 2005 Melbourne, Australia, September 14-16, 2005. IV (Lecture Notes in Computer Science 3684).
