Out of 5 star:Overall: 3Romance: 3Sensuality: 2Sex: 2. **Playing for keeps book 2** After a brutal time where she is kidnapped for three days she is now back in the states and has decided to take an easier reporting job now covering the pro-football team the cougars where Ryan plays as a tight-end. **Playing for keeps book cast** Walking into the post-game locker room is quite intimidating first having to prove she can be one of the guys and also trying to prove to herself that she doesn't have to peek down south when Ryan drops his towel. **Playing for keeps reviews** We watched it on TV every Sunday and Monday And then I married a man who hates football *is that possible??* Reading this story brought back a lot of fun memories from when I was a child. **Playing for keeps book** Although this story didn't have a lotTo do with football being familiar with the "Hot" players out on the field I could visualize just how big and rowdie the players were in this book. **Playing for the keeps** I am in Love with Ryan and Jake - In this story we got not only one great story about Ryan and Samantha but we got TWO fun storiesAbout Jake and Hanna as well! Awesome! The story starts off with Samantha jumping back into Sports. **Playing for keeps neve wilder** After Samantha decided it was time to get back into Sports... sports were safer (so she thought) SO headed into the locker room after the game she gets stopped by the security guards. **Playing For Keeps Chick lite** Ryan didn't want other women - He had talked himself into believing he could treat Samantha like his best friend's little sister but that wasn't going to work with those sex scenarios kicking into drive. **Playing For Keeps sports betting** When Ryan took off his shirt her mind got distracted and she lost her footing and slipping on the treadmill Ryan was right there to catch her... "are you ok? " "yes" "Are you sure? Because I trained as a doctor between the ages of 4 and 5" - she laughed "What's the cure for a bruised ego?" "This" He leaned his head down and brushed her lips with his in a gentle caress. **Playing for keeps pdf** "Feel better?" HA! Not even a little bit ☐ Things pick up and let's just say - WOW! I'll never be able to look at another inner thigh machine the same way again ☐ So now that Ryan and Samantha are having a secret fling let's see about Jake and Hanna Hanna is a model who is Samantha's roommate. **Playing for keeps meaning** Ryan...well his childhood was hinted at and that was it then nothing it would have been such an emotional draw! The plot was cute some spicy sex scenes but the story lost its way went off in several different directions without explanation as to how it got there, He was so sweet I just wanted to hug him and kiss him and call him mine! I thought that Liz Matis did a good job at creating a believable all around good man: **EBook Playing For keepsolid vpn** Who had been a different man 10 years ago when Samantha had continually turned him down. **Chick Lit Playing For keepsolid vpn** My big complaint would be that we are not really given much of back story on him. **Playing for keeps book**

series We are told that he was brought up in foster care but we don't know why. **EBook Playing For keeps** Also I really wanted to see him be welcomed into Samantha's family. **Playing for keeps reviews** i don't know something I liked Samantha as well not as much as Ryan though. **Playing for keeps reviews** My big complaint was that when she finally had her big reveal moment with Ryan about what happened in Iraq it just fell short for me, **Playing for keeps book series** It should have been more in-depth.

keeps wattpad Along the same lines I had a hard time connecting with Ryan: **Playing for keeps tv series** Just a guy always trying to woo Samantha and it never works. **Playing for keeps book series** He comes across flat and didn't have a spark of personality I could latch onto. **Playing for keeps reviews** The steroid scandal is barely touched on and the life threatening injury doesn't come into play until the very end: **Playing for keeps toys and more** I guess I'm also just not a fan of this author's writing style, **Playing for keeps book plot** Many times in the book the characters internal monologue would be filled with questions. **Chick Lit Playing For keepsolid** Was something going on between them? What was he thinking? But this happened all the time, **Playing for keeps book plot** Also section breaks would end with - "Let's get some grub, **Sports Playing For keepsolid vpn** or If what happened in the elevator was the appetizer it wetted her hunger for the buffet: **Playing for keeps meaning** Those types of things just didn't allow me to become immersed in the story and along with the other issues I had this one didn't work for me, **Chick Lit Playing For keepsmile** Rating: D 0984009817 I loved this story - I'm was a cheerleader when I was 8 - my brother played football and my dad was the coach for a few years. **EBook Playing For keeps hair** She's a writer for the paper and she's good at what she does: **Playing for keeps season 1** Naturally since her father Was a sports news writer before he retired she grew up knowing about the game, **Playing For Keeps epub's air** And her father was the One that called the scouts out to watch Ryan play football and got his career on the move, **Playing For Keeps sports betting** And even though they both Had feelings for each other Samantha was forced to keep her distance because of her writing. **Playing for keeps kendall ryan pdf** Being a sports writer and sleeping with the captain of the football team Would only cause gossip and chaos to her career: **Playing for keeps book 2** After 10 years while Samantha was writing news for a paper she went to Iraq to get a story about the troupes: **Why do i keep doing this pdf** She was involved in a car bombing and went missing for 3 days: **Playing for keeps trailer** She lived the nightmares every night - What she didn't know is how Worried Ryan was during those 3 days he sat with the family. **Playing for keeps trailer** Being a female sports writer caused her more delays then not. **Playing for keeps reviews** Everyone thought She was a groupie So she had to prove herself. **Playing for keeps neve wilder** When he was in college playing football with her brother he viewed women as playthings. **Chick Lit Playing For keeps** Sure he had a great packaging but underneath the chiseled exterior was a man who hadn't socially evolved from dragging his knuckles on the ground, **Playing for keeps book kendall ryan** After she got into the locker room she walked straight up to Ryan, **Playing For Keeps epub.pub** Fresh from the shower with a towel wrapped around his hips, **Playing for keeps book kendall ryan** She reminded herself she was a professional journalist and not some love struck teenager. **Playing for keeps reviews** Ryan bend forward to give her a quick kiss on the forehead like she was his kid sister, **Playing for keeps david halberstam pdf** She didn't want to be his kid sister but never wanted to be one of his "women" either: **Playing for keeps book kendall ryan** After she asked her questions and moved on to the other players Jake walks over to Ryan stunned, **Playing for keeps neve wilder** " Maybe if they believed it the guys would leave her alone, **Playing for keeps pdf** He knew Samantha wasn't the time for a fling and he couldn't imagine himself as the settling down kind: **Playing for keeps book plot** But a woman like Samantha could make a guy re-think his position on the state of matrimony: **EBook Playing For keeps** Samantha follows the team to an away game getting out of her cab she noticed the players getting mulled by the groupies, **Playing for keeps phrase** Mostly slipping their hotel keys in their pockets or trying to pick them up for a good time: **Playing for keeps book discussion questions** She knew this and expected it but she couldn't believe her jealousy when she saw a blonde slipping her key into Ryan's back pocket: **Playing for keeps book series becca mack** Yikes! I couldn't stop reading, **Playing for keeps neve wilder** I have a ton of quotes that I marked that I wanted to add into this but I don't want to give away too much . **Playing for keeps neve wilder** Let's just say this book is Great! I loved the sense of Humor, **Playing for keeps book** And I'm looking forward to April 2012 when Jake and Hanna's story comes out, **Chick Lit Playing For keepsmile** We got to see how they met #12 Nationally Bestselling Author on Nook, **Playing for keeps book series** She is a mild mannered accountant by day and romance writer by night, **Playing for keeps neve wilder** I love happy ever afters! Journalist Samantha Jameson always wanted to be one of the boys but Ryan Terrell won't let her join the club, **Playing For Keeps Chick lite** Fresh from the battlegrounds of Iraq reporting on a bunch of overgrown boys playing pro football is just the change of scenery she needs, **Playing for keeps phrase** If trying to be taken seriously in the world of sports writing wasn't hard enough Ryan her college crush is only making it harder. **Playing for keeps book kendall ryan** As a tight-end for the team she's covering he is strictly off limits. **Playing for keeps book series** Ryan Terrell is a playmaker on and off the field but when Samantha uncovers his moves he throws out the playbook. **Playing for keeps phrase** Just as he claims his sweetest victory Samantha's investigation into a steroid scandal involving his team forces him to call a time-out to their off the record trysts: **Playing for keeps pdf** But then a life threatening injury on the field will force them both to decide just how far they'll go to win the game: **Playing for keeps trailer** Playing For Keeps ('Fantasy' Football #1) I didn't think I would struggle through this so much: **Playing for keeps book discussion questions** Her regular voice was alright but when she tried to do the men it was so bad, **Playing for keeps reviews** The chemistry wasn't great between Ryan and Samantha and I wanted more action in the story: **Playing for keeps meaning** Probably would have been better if I read it but it just wasn't a hit with me: **Playing for keeps book series becka mack** 95 headshaking stars Ok so this was a freebie on the KOBO store and perhaps I shouldn't expect amazing things: **Playing for keeps neve wilder** But I cannot help but feel disappointed that an author gives her female protagonist a great backstory- a war correspondent that is still reeling from her experience in Iraq. **Playing for keeps book discussion questions** However the romance is a bit cliché and tones of sports and gender stereotypes ensue. **Sports Playing For keepsolid vpn** For example Samantha only can gain access to the Football locker room when she tells the staff that she is a lesbian, **Playing for keeps neve wilder** Then Samantha's friend goes out with a football player and he doesn't sleep with her after the first date. **Playing for keeps book series becka mack** This leads to several different characters running with the joke that he must be gay: **Playing for keeps book 2 SERIOUSLY???** Are we all stuck in the 1990's?? But with a 3, **Playing for keeps phrase** Had the author injected more emotion into the characters it would have been easier to connect with them, **Playing for keeps book 2** We got very little back story on Samantha and even less on Ryan, **Playing for keeps neve wilder** Considering the ordeal the Samantha endured as a journalist in Iraq I would have thought the author would have used that to add some more feeling to Samantha's character. **Things a kindle can do** In the midst of all this there is a secondary romance and the thoughts of those characters added to the confusion, **Playing for keeps book** The author's effort in writing this story should have remained solely on Samantha and Ryan even the epilogue was lost to them, **Playing for keeps neve wilder** 0984009817 ☐ FREE on Amazon & on iBooks today (7/27/2020)! ☐ 0984009817

No I mean LOVED Ryan. I found that pretty annoying. Still a pretty good book. It could have been better though. The book is short but complete. There is really no wondering what will happen next. In this book they rekindle their friendship and then some. I liked Ryan a lot. Any other way and he would be a male. I recommend this book. This is the first book. She was rescued and came home. She CAN'T GO BACK! Ever. So now she is going to be a sports reporter. She survived insurgents and war zones. Hero: Ryan. Then I just liked it. A reporter shouldn't become the story. Her job was about other people's experiences not her own. Not now anyway. She learned her lesson. And the thing is that - we never learn it. For most of the book she seems carefree and happy. It might creep up when she was not expecting it. But in this book it never does. He never felt like a pro-football player. I wanted him more masculine - actually more anything. I also felt the blurb to be a bit misleading. For example: Ryan assumed it'd been about the game. The team held up dinner for you. We're starving "Yeah me too." But not for food. I love the games and the action. Ryan is the star of the NY Cougars football team. He's also a close friend of Samantha's family. He went to High school with her brother. He went to Notre Dame with Samantha. So they kept their distance. She didn't want to talk about it. She was nervous about seeing Ryan. "Man you've got it bad not that I blame you. She is - " A lesbian. So she went downstairs to the hotel's gym. So Hanna took her in. They became best friends. They are similar in a way. But there's something about Jake that has her interested. I loved the friendship between the 4 of them. Winner of the NERWA First Kiss Contest A Kindle Bestseller. First the narrator was not good. The plot also was slow at times and kind of boring. 0984009817 2.5 stars. 0984009817 1.79 rating perhaps I am just missing the point. 0984009817 It was okay but basic at best. Not bad for .99 a decent no frills romance
