

On Abstract Art By Briony Fer **Book abstract artwork** The author speculates on the language required to describe the effects of key abstract paintings and sculptures and on ways to discuss critical issues when a work of art is without subject matter,

Abstract on artificial intelligence pdf

An exploration of ways to think about abstract art and the problems of interpretation it raises.

Abstract in a book On Abstract Art Not what I expected: too much Freud for my test although some of the chapters I enjoyed more than the others: **On Abstract artka** English

Briony Fer FBA is a British art historian critic and curator; professor of history of art at University College London. **On Abstract artka** She has written extensively on diverse topics of 20th century and contemporary art. (The one about Rlihter's work was really interesting). Might be one to come back to at later date..
