How can it be measured? Is it to be able to grasp concepts quickly do complex mathematical equations express oneself coherently etc. **Book The play of Daniel keyes** ? Is our civilization limited in its definition of intelligence? To me Charlie may have had a low IQ but I think his motivation and drive to know more and improve himself is a mark of intelligence as opposed to his colleagues who may have been smarter in terms of their cognitive abilities but were shockingly ignorant and happy to stay that way. **The play of Daniel keyesville mountain** I love the part how his family in the bakery consider him as one of their member again and the most touching part to me is when he design and write his own future life while he can. **Book The play of Daniel keyes** it had a huge impact on my life; it was one of the first quality classics i read introduced at age 8 or 9 to the classics section at the library by a hip teenage girl,
