

I Know Some Things: Stories about Childhood by Contemporary Writers By Lorrie Moore Durnam -- Signs and wonders / Max Garland --Sex and death to the age 14 / Spalding Gray --Gwen / Jamaica Kincaid --My mother's clothes : the school of beauty and shame / Richard McCann --The Ponoos / Peter Meinke --Murderers / Leonard Michaels --Hiding / Susan Minot --The turkey season / Alice Munro --Beautiful my mane in the wind / Catherine Petroski --Out-of-the-body travel / Sheila Schwartz --Rules of the game / Amy Tan --Dog Heaven / Stephanie Vaughn

**I Know Some Things:** Stories about Childhood by Contemporary Writers  
**I Know Some Things:** Stories about Childhood by Contemporary Writers by Lorrie Moore - One of the books I read while writing my novel in college. **I Know Some Things pdf reader** There are certainly some stories which are better than others and to be honest for me the ones I enjoyed the most were those which took a less metaphorical and more literal approach towards childhood. **I Know Some Things pdf reader** My favourite stories of the collection were The Point by Charles D'Ambrosio "Signs and Wonders" by Max Garland Rules of the Game by Amy Tan and most surprisingly for me Betty by Margaret Atwood. **I Know Some Things pdfescape** Unfortunately three of these four amazing stories occur in the first third of the collection which meant that I Know Some Things took several weeks for me to finish as I could never get fully engaged in the collection. **I know something that you don't know** Perhaps this is slightly my own fault as lately I've been reading a lot of novels which do not require the focus of a short story in which you only have a limited amount of pages to get to know the characters. **I Know Some Things bookkeeping** There were times when I Know Some Things brought me back to my own childhood but those instances were far fewer than I expected and although the collection excelled when it came to diversity of opinions consistency of quality of writing is what let me down most. **I know a lot of things** There are some real classics: Charles Baxter's Gryphon Amy Tan's Rules of the Game Susan Minot's Hiding that every short story writer should know as well as more obscure but quality works like Alice Munro's Turkey Season and Stephanie Vaughn's Dog Heaven. **I Know Some Things epubublishing** One thing that makes this anthology special is the variety of narratives - voices eras points of view - and it is rare to find a collection so diverse that is not simply a show of the kind of stories the editor likes. **Book I Know Some things remembered** Nicholas DelBlanco is quoted as saying we experience every major emotion by age four from euphoria to fear of death and this collection truly shows what rich material childhood experience is. **Book I Know Some things remembered** Variable as with all anthologies but some real standouts:\* Charles D'Ambrosio Jr's The Point\* Max Garland's Signs and Wonders\* Alice Munro's The Turkey Season\* Sheila Schwartz's Out-of-the-Body Travel\* Amy Tan's Rules of the Game\* Stephanie Vaughn's Dog Heaven Lorrie Moore I LOVE short stories and I read this book of short stories about 4 times. **I Know Some Things kindle store** Lorrie Moore

When writers of fiction have made the effort to explore the mottled landscape of a child's secrets and understanding they have often created stories of ferocious poignancy Lorrie Moore writes in her Introduction to this exceptional collection of stories in which the contradictions and hypocrisies of the adult world are seen through the eyes of children. **Book I Know Some things remembered** In this collection of tales by some of today's best writers including Margaret Atwood Toni Cade Bambara Charles Baxter Spalding Gray Susan Minot and Alice Munro each story is told by a child character or by the adult who was that child skillfully preserving the child's voice and role as both an actor and a witness in the drama. **I Know Some Things pdf reader** They will resonate with

readers as they convey not only individual stories of heartache and joy but also universal themes of growing up and coming to see if not understand the world in a new and different way. **I Know Some Things pdf editor** Lies / Glenda Adams --Betty / Margaret Atwood --Gorilla my love / Toni Cade Bambara --Gryphon / Charles Baxter --Daley's girls / Catherine Brady --His son in his arms in light aloft / Harold Brodkey --The point / Charles D'Ambrosio this is a fantastic collection! Happy Reading! Lorrie Moore I read only parts of this: **I know something is wrong with my health** If you love child narrators.

## **I know somehow i know someway**

For a long time afterwards I thought of the minister's statements about suffering. **I read i know things** I knew nothing about it except that some people wore it on their sleeves and some kept it inside, **I Know Some Things kindle store** -Max Garland I Know Some Things is a collection of short stories about childhood by contemporary writers compiled by Lorrie Moore a successful short story writer herself, **I Know Some Things kindle store** Because of Moore's own penchant for beautiful writing I think I expected slightly more from the collection, **Book I Know Some things remembered** I was also definitely disappointed that Moore didn't include one of her own works. **I Know Some Things epub**s I love reading about how one of many daughters and their strict father or one boy who helps take drunk ladies homes from parties while they tell him their secrets. **I know something that you don't know** These were the stories that captured the essence of childhood in one anecdote the mystery and the rebellion. **I Know Some Things ebooks online** Ultimately what I can thank this collection for is introducing me to several new (to me) and talented writers whose other works I will be pursuing: **I know a lot of things** \*\*\* Lorrie Moore This is one of my favorite short story collections. **I Know Some Things epub**s It crosses boundaries reveals tales of childhood emotion and discriminates against nothing: **Book I Know Some things remembered** Amy Tan and Spaulding Grey are shining through in this collection, **I know something is wrong with my health** Lorrie Moore I'm actually re-reading this collection and so impressed with it. **I Know Some Things kindle app** Lorrie Moore A well-curated collection of first-person narratives about childhood knowledge secrets and confusions, **I Know Some Things Literature fiction vs A** better organizing theme than most as it gives all these stories a legitimate reason to cohabitate: **I read i know things** It is a really good collection of different thoughts about childhood, **Book I Know Some things remembered** Sometimes short stories (in general and) about childhood have such a negative slant all heartbreak and destruction. **I know something about god's grace gayle** Chosen by the acclaimed writer Lorrie Moore for their insight and literary brilliance these stories range across age gender class ethnicity and geography. **I Know Some Things pdf editor** Lorrie Moore This volume was filled with short stories from authors' childhoods. **I know somehow i know someway** The best stories were: Signs & Wonders about a preacher uncle and Sex and Death to the Age 14: **Book I Know Some things remembered** Packed with dozens of details from the 40's 50's and 60's they depict an era long past. **I Know Some Things epub**s Lorrie Moore I wish there was a story by Lorrie Moore about childhood in this book. **I know something about god's grace** I would like to give this book 4 stars but some of the stories weren't as good. **I Know Some Things pdf editor** I like short stories and enjoyed most of these though none really grabbed me, **Book I Know Some things remembered** Lorrie Moore LORRIE MOORE is the Gertrude Conaway Vanderbilt Professor of English at Vanderbilt University: **I Know Some Things bookworm** She is the recipient of a Lannan Foundation fellowship as well as the PEN/Malamud Award and the Rea Award for her achievement in the short story: **I Know Some Things epub**lishing She is a member of the American Academy of Arts and Letters[1]

Jr. --I know some things / D.J. I have bought this several times over. The overall impact is greater than the sum of its parts. This book was a good mix. Most of the authors were unfamiliar to me. There isn't. Lorrie Moore What it says on the tin. She lives in Nashville Tennessee..
