

The Lonely Date (Pursuit of Love #1.5) By K.C. Carmine **The lovely debbie mcgee** What happened with Brian to end his soccer dreams of playing professionally? E's unrequited love? Brian's bi awakening? Of course they do get their HEA but you have to read The Blindfold Date to find out exactly how they got there. **Lonely achievement** After reading about E and Brian's romance \*hint \*hint - it is tumultuous in The Blindfold Date Carmine has given us something that most other authors do not! A chance to see their 'origin' story which endears them to us even more deeply. **Lovely dating app** There are so many areas of this series to highlight: MM romance between a neurodivergent nerd and a sensitive "Maybe not 100% straight after all" college footballer looking to go professional; family drama/trauma; friends with some dominant bear qualities; and an underlying need of each of these characters to initially fit in but with experience they come to the understanding that love means acceptance. **Book The Lonely date night** The Lonely Date is absolutely bittersweet as we see behind-the-scenes experiences that neither E or Brian do and although we can be pleased with their future it is quite hard to have the spotlight placed upon their younger limited engagement. **Book The Lonely datetime** Think back on your youth and you will likely remember painful times spent learning about yourself but be pleased that those growing pains are well-worth the struggles we put ourselves through<3. **Book The Lonely date** 5 Stars\*Please note that there is a flashback of a previous attempt by an MC to take his own life a conversation of a past assault on the other MC and the illness of a parent\*We had The Flower Arrangement and then The Blindfold Date. **Lonely day system of a down lyrics** We're shown what happens to Brian to permanently end his football (soccer) dreams the first hints of E's Dom side peeking out and how Rob's training had him in physical contact with Brian long before E ever was. **Book The Lonely dateline** It was satisfying to have the gaps filled in and see how E was before meeting him in The Blindfold Date and how Brian discovers that he might not be as straight as he thought he was. **Lovely dating app** Going back to E and Brian was like welcoming home a friend after a long absence and while I'm sorry to see them go again I'm happy knowing how they got to where they are today from their early days of notebooks & football pitches irritating contacts & busted knees and silicone collections & torn shower curtains. **The Lonely Date pdf** {site\_link} FREE stories {site\_link} author page {site\_link} Twitter {site\_link} Instagram {site\_link} TikTok {site\_link} BookBub {site\_link} StoryGraph {site\_link} Facebook group {site\_link} Sign up for newsletter {site\_link} Carrd {site\_link} Link to free Christmas story 2021 K. **Lovely dating app** {site\_link} FREE stories {site\_link} author page {site\_link} Twitter {site\_link} Instagram {site\_link} TikTok {site\_link} BookBub {site\_link} StoryGraph {site\_link} Facebook group {site\_link} Sign up for newsletter {site\_link} Carrd {site\_link} Link to free Christmas story 2021 {site\_link} an alternate cover edition can be found here An 18k prequel story to the Blindfold Date where we get to meet Brian and Ernesto at a pivotal moment 12 years earlier as students at the same university. **The Lonely Date fictional** 5)This is a super interesting prequel that examines Brian and Ernesto as individuals while they were in college at a time that becomes pivotal to who they become and their story later in life. **Lovely dating app** 5) ARC provided in exchange for an honest reviewOverall OpinionThis is the prequel to The Blindfold Date and whilst I have yet to read the Blindfold Date I really enjoyed getting to know Brian and Ernesto (E). **Book The Lonely date** I absolutely adored this raw bittersweet story the author has woven and I cannot wait to read the next chapter in their lives!
