After a number of mediocre books I was looking forward to reading this book by an author whose earlier books especially *Promised Lands* & *Mr Wroe's Virgins* were excellent. **The Voyage homegauge** The writing here is as good as ever and the story--about a Presbyterian missionary to Nigeria and his daughter--figured to appeal to me but despite quite a bit of psychological intensity I didn't find this that appealing largely because the main characters were not appealing and it was hard to care what happened to them. **The Voyage homeko** David's diary charts the dramatic events that lead to the collapse of their marriage and his ejection from the mission and his subsequent role as an aid worker in the Biafran war. **The voyage home jane rogers** Other works include *Mr Wroe's Virgins* (which she dramatised for the BAFTA nominated BBC drama series) *Her Living Image* (Somerset Maugham Award) and *Promised Lands* (Writers Guild Best Fiction Award). **The voyage home pat barker release date** Other works include *Mr Wroe's Virgins* (which she dramatised for the BAFTA nominated BBC drama series) *Her Living Image* (Somerset Maugham Award) and *Promised Lands* (Writers Guild Best Fiction Award), **The Voyage homebyme** 384 another choice of mine for book club which promised much more than it delivered, **The voyage home jane rogers** the first chapter was good but it really wasn't what it said on the blurb 384 This novel follows Anne Harrington: **The Voyage Home epubs air** Anne has traveled to Nigeria after her father's death there and has decided to travel home by ship: **The long voyage home dvd** Along the way distracted by her grief and what she reads in her father's diary she becomes isolated: **The voyage home rotten tomatoes** She is forced to interact with others when a stowaway begs for his assistance for his ailing pregnant wife: **Science fiction the voyage home book** Anne is not able to cope well with the situation and finds herself involved in a shadowy world of manipulation lies and murder, **The Voyage Home epub pdf** Once home Anne sinks into depression finding it increasingly difficult to cope with her guilt and grief, **The voyage home pdf download** We see Anne again four years later as she must again make a choice about the future this time a deeply intimate one, **The voyage home script** Rogers really gets you into Anne's head in this novel so you feel just as confused and at sea as she is and the complex feelings involved feel real. **The Voyage Home epubs air** It took me a while to get into this book but once I did I was drawn in completely and found myself struggling with Anne's actions and feelings: **The voyage home rotten tomatoes** 384 I have only just found Jane Rogers and I love her flowing style and insightful descriptions: **The voyage home jane rogers** However I did not find *The Voyage Home* a comfortable book to read, **The voyage home poster** This book explores the shameful parts of us we try to hide away when we do things we regret, **The Voyage homeboy** It follows the thoughts of Anne and her father through his diaries as they wrestle with self-deception and then the pain of self-awareness: **The voyage home homewares** Life is stunted relationships stilted and dishonest and Anne often passive like a child in an adult world, **The voyage home historical fiction book** It is a powerful book and takes the reader on an tough exhausting voyage to match Anne and her father's: **The voyage home pat barker release date** 384 It was hard to understand Anne's motivations behind her actions except that it was maybe a

combination of depression and self-loathing for what happened on the ship. **EBook The Voyage homecoming** Although the writing is very good I couldn't give it a higher rating, **The voyage home rotten tomatoes** Anne never grows as a character and even in the end she seems to be the constant victim her latest conundrum due to her own stupidity and lack of self respect, **The voyage home script** 384 When Anne Harrington decides to return from her father's burial by ship she is advised against it: **The Voyage Home epub pdf** The journey from Nigeria back to England is too long she is warned: better to return to her old routine as quickly as possible. **The Voyage homegoing** But Anne is not quite alone: she has her father's belongings and more particularly his diaries from his time in Africa, **The voyage home script** In 1962 Anne's parents Miriam and David had made the opposite journey arriving in Nigeria to work in a mission in the east of the country. **The Voyage homeglow cleaning** For Anne meanwhile the voyage home is not turning out to be the haven of solitude she is hoping for, **The Voyage Home epub pdf** Deep inside the ship a stowaway seeks her out and leads her to his sick wife. **The Voyage Home epubs air** Though Anne promises not to reveal their existence to the crew if she does not find help one of them may die. **The Voyage Home ebook download** As the twin stories of David's mission and Anne's journey intertwine they dovetail to build a profound and gripping narrative: **The Voyage homekeeper** Haunted by the nightmare events of the voyage and by David's powerfully judgemental personality Anne is forced to find a way to reclaim her life for herself: **EPub The Voyage home alone** The Voyage Home is an astonishing story of love and loss of power and its abuse and of family and faith, **The long voyage home eugene o'neill** The Voyage Home Jane Rogers is an award winning author of nine novels including The Testament of Jessie Lamb Man Booker longlisted and winner of the Arthur C Clarke Award 2012, **The voyage home rotten tomatoes** Her story collection Hitting Trees with Sticks was shortlisted for the 2013 Edgehill Award and the title story was a BBC National Short story award winner, **The Voyage homebody** Jane is Emerita Professor of Writing and also writes radio dramas and adaptations: **The Voyage homekit devices** She is a Fellow of the Royal Society of Literature and lives in Banbury UK, **The Voyage Home epubublishing** info Jane Rogers is an award winning author of nine novels including The Testament of Jessie Lamb Man Booker longlisted and winner of the Arthur C Clarke Award 2012. **The Voyage homegauge** Her story collection Hitting Trees with Sticks was shortlisted for the 2013 Edgehill Award and the title story was a BBC National Short story award winner. **The voyage home trailer** Jane is Emerita Professor of Writing and also writes radio dramas and adaptations, **The Voyage homeboy** She is a Fellow of the Royal Society of Literature and lives in Banbury UK.
