

Paul Tuttle Designs By Marla C. Berns

Paul Tuttle Designs ebook3000

This book was a very useful resource on Paul Tuttle! I used it for a project in which I was writing about him and was able to find all of the things I needed as well as other things about Tuttle which were interesting. **Book Paul Tuttle designspark** They covered his family background and basic biography as well as design philosophies and characteristics but I think my favorite thing about this book were the many photographs which chronologically portrayed his work and how it changed and evolved through his career. **Book Paul Tuttle designbysick** The chair on the cover is one of his designs for which he is best known! 9780942006728 Innovative and prolific designer Paul Tuttle lived and worked in California in the second half of the 20th century designing architecture as well as an extensive array of furniture. **Book Paul Tuttle designbysick** 25) volume showcases Tuttle's work in numerous color and black & white photographs and Berns (UCLA Fowler Museum) and other curators contribute essays describing Tuttle's life work and legacy, **Paul Tuttle designspark rs** The book includes a brief biography and bibliography but no subject index. This square-format (10.5x10. Published by the University Art Museum U. of California Santa Barbara; distributed by the U. of Washington Press. Annotation ©2004 Book News Inc.
