Goodreads link: <https://www.goodreads.com/book/show/2>. I didn't even know such a thing existed. Jeanine Adorabelle Talbot is the main character. She's married to a military man named James. And yes that's a lot of J's in a single family. It's one of the flaws actually. All of them deal with Jeanine and her family. All in all I found it a relaxing and enjoyable read. It's overburdened with Christian preaching all the way through. There's a treasure hunt and some murder. The spiritual truths wind their way throughout the story. As the story progresses so does the mystery. One character is killed and many mysterious events occur. Jeanine and her family find clues to a pirate treasure. Trouble abounds too. Bravo to the author. It's a nice little escape from the winter doldrums. Plundered Christmas (Christmas Holiday Extravaganza).
