

If I Didn't Care (Wishing for a Hero, #1) By Kait Nolan

## If I Didn't Care book pdf

But you know by now that doesn't buy stars from me :) Kait Nolan A friends-to-lovers-romance is one of my favorite types of contemporary romance read so Autumn and Judd's story was a nice addition to the ones I have already enjoyed over the years. **Book If I Didn't care i would** A bond forged when Judd was six and the first time he came to Autumn's rescue but totally not the last one as for 25 years her welfare has been his first priority and concern. **If i didn't care song in books** The one most important point that I have to share is the fact there is a definite HEA and no cliffhanger ending to this book so readers can be assured that even though this is the first in a series it can stand alone on its own merits. **EPub If I Didn't care about my** However since Wishful is such an interesting small town to visit and its inhabitants never fail to disappoint the next book should be worth following up on once this one ends.

Autumn. **If i didn't care lyrics** I believe there are characters from other books that pop up in this one.

## If I Didn't Care bookworm

Kait Nolan hits it out of the ballpark with the first book in a new Wishful spinoff series. **If I Didn't Care book pdf** As far as the romance is concerned I feel the emotion I feel the weight of the history between our lovebirds but I'm thoroughly pissed off that everything about them is based on assumptions misunderstandings and miscommunication. **EPub If I Didn't care about you** Autumn opens the book by deciding to confess her feelings despite Judd being in a relationship but backs down when she realizes (mistakenly) that he's about to propose to his girlfriend. **If i didn't care chords** She lies about what she meant to say (twice! when the first excuse doesn't hold up anymore she makes up a new lie!) and decides to leave town even though she doesn't actually want to because it's better for both of them that way. **If I Didn't Care epub air** Judd on the other hand has been hiding his feelings as well telling himself it's for Autumn's good all these years yet doesn't even tell her when his girlfriend (rightly) dumps him just letting her assume he's still in a relationship. **If I Didn't Care book review** I didn't catch on to the real culprit until he'd shown up a few times but it wasn't because there were clues I saw to help me figure it out it was simply because the cast of characters wasn't large enough to support multiple possible villains. **If I Didn't Care ebookers** Once I was sure it wasn't daddy dearest there was only one other character it could be who didn't have a clear role to play elsewhere in the story--especially because a lot of the minor characters we already know from other Wishful books and are clearly not going to be sacrificed on the altar of being a villain in this one. **Suspense If I Didn't care lyrics** It's easy to write off a stalker's behavior as delusional and it's not always wrong but his delusions didn't really gel with his demeanor earlier in the story and basing those delusions on the plot of a novel the heroine has written that we the readers don't have full access to and have to figure out via explanation by the heroine and third-party interpretation from other characters--honestly it's a giant mess I couldn't untangle. **EBook If I Didn't career** And the very very ending the will you marry me? that becomes well let's get married literally right now because I organized the whole thing behind your back and everyone's already here--way too rushed for me. **If I Didn't Care book summary** 5 stars I REALLY LOVED this book it's been a while since the last time my heart fluttered for a guy in a book god Judd was just perfect he and Autumn are the ultimate couple loved it so so much and I will be reading the second book

soon :D Kait Nolan rcvd ARC for a honest review. **Book If I Didnt care chords** we meet judd a small town police officer and his bff since age 6 judd vows to protect her but will he be able to keep her safe? a Twist of events lead to unfortunate accidents facing ones past and coming to terms with the cat being let outta the bag. **If i didn't care the ink spots lyrics** drama intrigue delusions hope and love will be the themes of this great book Kait Nolan

Kait Nolan is a RITA® Award winning Mississippi author who calls everyone sugar honey or darlin and can wield a Bless your heart like a Snuggie or a saber depending on requirements. **If I Didnt Care suspense lyrics** When shes not writing reading working the evil day job or wrangling family (both the two legged and the four ) you can find her obsessively watching The Great British Bake Off. **If i didn't care song** ly/kaitsnewsletter Kait Nolan is a RITA® Award winning Mississippi author who calls everyone sugar honey or darlin' and can wield a 'Bless your heart' like a Snuggie or a saber depending on requirements. **Book If I Didnt care chords** When she's not writing reading working the evil day job or wrangling family (both the two legged and the four ) you can find her obsessively watching The Great British Bake Off. **Book If I Didnt care chords** Their nightmare returns But when the past comes full circle and Autumn's father returns to Wishful even the power of Judd's badge isn't enough to keep her safe from the madman. **If I Didnt Care bookworm** Autumn's father physically abused her and would also lock her in a shed when she was a kid- Setting: Wishful Mississippi USA Characters: - Judd: (early 30's cop-interim chief of police): Judd comes from a great family and has been in love with Autumn since he was a kid. **If I Didnt Care contemporary furniture** - POV: dual POV- Tropes: best friends to lovers- H likable? Yes- h likable? Yes- h virgin? no- First time they kiss: 38% Autumn initiated the kiss and in front of his family ☐☐- First time they sleep together: 43%- First time they say I Love You 41% - steamy? I guess. **Book If I Didnt care chords** I'm pretty set on experiencing books in chronological order - so I hopped over to Kait Nolan's website to find that her Wishful and Wishing For A Hero series start to intertwine about here. **If i didnt care chords** Judd's current girlfriend can't take the competition for Judd's priorities any more (there's no cheating) he's named interim police chief Autumn's father is released from prison and Judd's left trying keep all the plates spinning before they crash down around him. **Suspense If I Didnt care** Readers might want to know that with the mystery/suspense aspects this covers some darker subjects than the Wishful series: a history of abuse a stalker a kidnapping and attempted murder. **If i didn't care the ink spots lyrics** While I'm looking forward to Rowan & Nash's book Watch Over Me (Wishing for a Hero #2) I have to be honest that I'm particularly interested in Ethan the US Marshal in his book Can't Take My Eyes Off You. **Book If I Didnt care chords** ) Another note: If you keep scrolling in the ebook after finishing the story - you'll find a teaser that Nolan is going to be launching a Romantic Suspense line of books under the pen name Harper Jackson. **If I Didnt Care ebook free** WHY?? Why is it acceptable for a woman to pinch a man's butt? What makes it any less obnoxious to a man pinching a woman's butt? I lost a lot of respect for the author at that point and then that was

followed by the cringingly awful scene where the 'h' (who is a newly published author of erotica - DUH!!!! ) reads aloud from one of her novels - a sex scene of course- and then stands by meekly while the 'butt-pinching' women in the book club discuss her sex life Give me a break. **Book If I Didnt care chords** Do people like this exist?? Really? I am sick to death off small town america books with utterly repulsive characters who act as if they are sex-mad and have absolutely no respect whatsoever for anyone else. **If I Didnt Care book summary** DNF at 55% Kait Nolan DNF:Maybe it's me but when the heroine finally decides to admit her unrequited love to the H WHEN he has a girlfriend that's a big ole nope for me. **Suspense If I Didnt care** While that part of the book was pretty easy to figure out it was paced well and did a good job of filling in the backstory for the characters without ever feeling like an information dump. **If I Didnt Care booking** Editing was good the characters were likeable the brief bits with the OW were handled like adults without the bitchy aspects so commonly used in other books and the set up for future books with other characters in the series fit naturally into the story: **Book If I Didnt care** There are several areas that were glossed over leaving questions unanswered but not detracting from how things worked out though, **If I Didnt Care suspense lyrics** The couple was a nice fit and their story was fairly solid from start to finish so easy to follow along with and actually quite a lot of fun to see play out: **If I Didnt Care book review** The one thing it shared in common with others that I have enjoyed in the author's works was the strong part that family relationships and supportive friendships played: **If i didnt care amy adams** Both Autumn and Judd benefitted from the people who know them best but especially so when it came to their own lifelong bond: **If I Didnt Care book pdf** when her abusive father had aimed at gun at her 17 yr old self and judd jumped in and took the bullet: **If i didn't care the ink spots lyrics** 14 years judd has been protecting autumn from anything and everything in hope of keeping her safe, **If I Didnt Care book pdf** a day of shopping leads to panic and a lie when judd stops at a jewelry store which autumn presumes he is buying a ring for his girlfriend: **Book If I Didnt care by john** judd is named interim chief of police and finds out at the same time that autumn's monster of a father is being released in a few days. **Suspense If I Didnt care lyrics** judd suggests autumn move in with him and she says shes going to move away, **Book If I Didnt care chords** what will happen when judd finds out? will it alter their relationship? will he understand? or will he finally see the light: **EPub If I Didnt care about you** also autumn is scared her secret will make the townfolk see her differently. **If I Didnt Care book pdf** when threats to autumn start to happen.

So the mystery aspect was unexpected but certainly added to the story, **If I Didnt Care contemporary furniture** There was a lot of predictability so I wasn't surprised by the way anything unfolded: **Book If I Didnt care about you** Other:- The "I'm not willing to risk our friendship" coupled with "I'm staying away because it's best for you" is not a favorite trope of mine: **Book If I Didnt care credit** It's an overused conflict tactic and it actually quite frustrates me. **If I Didnt Care booker** I didn't buy into it - Autumn had a heart condition and it was mentioned as something to be concerned about but no context was provided around what it was. **If I Didnt Care ebook free download** I felt that was a missed opportunity to bring about awareness of heart conditions. **If I Didnt Care epub.pub** Overview: - Do you need to read previous books in series?: No: **Book If I Didnt care about you** Wishing for a Hero? Then you will want to snag this book right now: **Book If I Didnt care** Obviously that means five stars for this romantic suspense novel. **If I Didnt Care book summary** As always Nolan's shero is well-rounded dynamic relatable and so realistic that you want to hug her when she has a bad day, **EPub If I Didnt care about you** Autumn had a rough childhood but has built a pretty good life with her family-of-choice: **If i didn't care for you song** When her father gets released from prison things start to go down the drain: **PDF If I Didnt care chords** Judd is over-protective and I have to say the most irritating hero Nolan has ever written:

**Book If I Didn't care by John** I guess his hovering came across as possessiveness or something.

**EPub If I Didn't care** If you've avoided Wishful because you need a little more meat in your romances this dandy is a four-course steak dinner: **If I Didn't Care Kindle Direct** Warning: there is always ONE explicit sex scene in a Nolan romance, **EBook If I Didn't care chords** (Was that spoiler-ish?) Yes I received an advance copy in exchange for a review at least in my opinion anyway.

**Book If I Didn't care about you** Kait Nolan I thought I had caught up with all the Wishful novels I owned I missed this one so here I go, **If I Didn't Care epub download** So they're both stubborn idiots who would rather martyr themselves for the other than actually talk about anything until events force them to: **If I Didn't Care book pdf** Which means they're awful people in some ways yet oddly perfect for each other: **PDF If I Didn't care** As for the suspense plot it starts out easy enough to follow though it was obvious to me from the very beginning that Autumn's ex-con father was a red herring, **If I Didn't Care suspense novel** What bothered me though was just how little sense the ending made. **If I Didn't Care epub free** She believes in love laughter and that tacos are the world's most perfect food, **If I Didn't Care ebook** She believes in love laughter and that tacos are the world's most perfect food, **Book If I Didn't care** ly/kaitnewsletter {site\_link} He has one mission Since they were children career cop Judd Hamilton has built his life around taking care of his best friend Autumn Buchanan: **If I Didn't Care book pdf** While he might once have dreamed of a different future for them everything changed the day her father tried to kill them both. **If I Didn't Care book summary** Determined to keep her safe Judd put his feelings aside and turned his focus to protecting her always: **If I Didn't Care epub file** She leads a double life Nobody in their small town would ever dream that Autumn Wishful's friendly librarian is really successful erotic romantic suspense author Rumor Fairchild: **If I Didn't Care book pdf** No one knows that the swoon-worthy hero of her series is based on her best friend Judd. **Book If I Didn't care by John** He's been fulfilling her rescue fantasies for years and now she's ready to catapult them out of the friend zone to make her real life romance come true. **If I Didn't care Connie Francis** If he wants the chance at a future with the one girl he's always loved Judd may have to toss everything he's worked for aside to do the one job that matters. **PDF If I Didn't care about my** "My Thoughts: The following are my thoughts about this book: General:- Trigger warning-abuse. **If I Didn't Care book summary** He's always been her protector and even took a bullet for her when her father went off the deep end and tried to kill them for kissing when they were in high school: **If I Didn't Care ebooks online** - Autumn (aka Firefly): (early 30's librarian and author): Her father was a crazy religious fanatic that often abused Autumn for her "sins": **If I Didn't care for you** In her late teens her mother escaped and Autumn chose to stay with Judd's family rather than leave the state with her mother, **If I Didn't Care book review** Dear old dad is in prison for attempted murder so the only thing Autumn has to manage now is her feelings for her best friend. **If I Didn't care** She has some great best friends who always have her back. **Suspense If I Didn't care lyrics** - Together:- Although Judd and Autumn have been best friends for years they have both wanted more but neither were willing to be truthful with each other about that. **Book If I Didn't care** Therefore about 30% of the book is Judd with a girlfriend and Autumn secretly pining for him from the sidelines. **If I Didn't Care ebooks** - Autumn and Judd have 25 years of history together and have an incredibly strong connection. **If I Didn't Care ebooks air** "when we were twelve and you brought me here that first time I didn't believe in wishes: **If I Didn't Care suspenseful** But you gave me a quarter and told me to make a wish anyway. **Book If I Didn't care by John** Do you know what I wished for?" "What?" She lifted her gaze to his face. **If I Didn't Care ebooks** "The story: Overall the writing was good and the story was enjoyable: **Suspense If I Didn't care** The story held my attention and I didn't skip any pages. **Book If I Didn't care by John** Somewhere along the line I got this book free so I didn't bother to read the book blurb (no surprise there), **If I Didn't Care book review** Based on the cover I was expecting a cutesy sugar sweet low angst story but you can read this as a standalone. **EPub If I Didn't care credit** - H/h cheat? once they commit to exploring their feelings there is no one else: **If I Didn't Care book pdf** " Autumn looked with affectionate forbearance across the table at her best friend: **Book If I Didn't care about you** " "For twenty-five years he'd been her strength her shield

her confidant, **If I Didn't Care contemporary** "Trying to stop Nanna from doing anything she wants to do is like trying to lasso a runaway train. **Book If I Didn't care by john** "You've been fulfilling my rescue fantasies since I was six years old. **If I Didn't Care kindle cloud** Time after time you've put yourself on the line to protect me. **Suspense If I Didn't care lyrics** "She felt like she was back in high school and someone had stolen her clothes and shoved her naked into the gym in the middle of a pep rally with the entire school. **EPub If I Didn't care about you** " Kait Nolan Note: I'm binging the Wishful series and started The Christmas Fountain and quickly realized I missed a book somehow, **Book If I Didn't care credit** (Technically Make You Feel My Love is before See You Again but I didn't notice in that one, **If I Didn't care lyrics** ) Anywhoo... Nolan has this nifty spreadsheet on her website showing the order if you're obsessive like me, **If I Didn't Care suspense definition** Also of note is that this book was originally released in 2016 and titled If I Didn't Care: **If I Didn't Care suspenseful** I haven't read that version but she notes in the forward to Make You Feel My Love that she rewrote more than half the book, **Book If I Didn't care chords** The first third of this book was necessary for background and plot but infuriating: **Book If I Didn't care credit** Judd has pretty much loved Autumn all his life - but after a horrible attack got it into his crazy 17yo brain that he could best support her by being just a friend, **EBook If I Didn't care about my** More than a decade later and he still hasn't moved on from his teenage thinking, **If I Didn't Care kindle** Much to the consternation of Autumn and the entire town of Wishful, **Book If I Didn't care i would** It's hard to share without giving away spoilers but I enjoyed the way Nolan mixed small town friends to lovers and romantic suspense: **Contemporary If I Didn't care i would** Despite having guessed the plot twist - the second half gripped me and wouldn't let go, **Book If I Didn't care chords** I'm also happy that Nolan is giving poor Mary Alice (Judd's ex) her own love story in The Christmas Fountain (Wishful #9). **Book If I Didn't care career** (I also may have decided Ethan looks like Timothy Olyphant from Justified - so there's that: **PDF If I Didn't care** This was going fairly well - a rather predictable romance/suspense with a familiar trope until this: The elderly man jolted: **If I Didn't Care contemporary furniture** Due to skimming the girlfriend breaks up with the big fat idiot because she deserves better: **Book If I Didn't care credit** Later the heroine eye roll goes to her to convince her to take him back: **If I Didn't care song covers** Go away! I hope Mary Alice gets a good happy ending! Apparently it is in The Christmas Fountain. **If I Didn't Care booker** Kait Nolan I love best friends to lovers stories and this was well written and plotted. **If I Didn't Care ebooks** The suspense plot didn't overshadow the romance but rather played well into advancing it. **If I Didn't Care ebooks online** Overall I thoroughly enjoyed this read and definitely recommend it for anyone who likes the friends to lovers trope. they have been thru alot together and gone thru hell.literally. what he doesnt know is that she is in love with him. Autumn is devastated. he will stop at nothing to keep her safe and sound. now judd is devastated. autumn is keeping a secret.a big secret. Points off for lack of originality. - The "who done it" was obvious. They "why" was a stretch. And boy does she have a string of those. It just rubbed me the wrong way. But he's tough.except on the inside when it comes to Autumn.This is a great story that I could hardly put down. Read it. You won't regret it. Scroll on by. Don't be like the goody-two-shoes who go after Autumn's job.It's not great but it's not terrible. A proposal would have been enough thanks. Kait Nolan 4.
