Justin's mom is bad news. Paige moves to town for the fresh start. His friend was supposed to do it but things happened. The small town gossip mills start . It is an up and down adventure. Love this book. English My take:I was contacted by Ms. Grace regarding reviewing A Fresh Start. It had me intrigued about the novel's plot. I gladly filled him in every time I took a break. I am in love with the idea of the West. I didn't want to put it down. THIS DOES NOT DETRACT FROM THE STORY IN MY OPINION. I was not required to provide a positive review. All opinions are my own. He was always there for her. Although the other reviews criticized grammar errors typos etc. I was given a complimentary copy for an honest review. English 1.5 stars DNF @ 68% storyline was ok but predictable. I felt it was dragging a bit. It had a good basic story but extremely poor editing. Sometimes it feels as if everything is falling apart. Paige Watson finds herself in that very situation. It is the only way she can feel safe again. A Fresh Start.
