The living and the dead. MY HEART. obviously i'm due for an immediate reread. 1571314997 This collection took my breath away. Their lives woven in various poetic forms. Everyone should read this collection. It depresses me that so few seem to have read this. 10/10 Sometimes I can't believe my hearthow it continues. 1571314997 These are (mostly) exception poems. It is an earnest collection both opaque and ethereal. I do think she went a little overboard with it though. 1571314997
