

Maisy Goes to a Wedding: A Maisy First Experiences Book By Lucy Cousins **Maisy Goes to a Wedding kindle cloud** 1536200115 An adorable book about Maisy the mouse and her very first wedding! So today is my third wedding anniversary and I thought it would be fun to make my blog for today filled with wedding-themed posts! I thought a review would also be fun to do so I set out to find books about weddings and then picture books because I just adore picture books! I found this one and just had to read it as I just adore Maisy~In this sweet book it is time for a wedding! Ostrich and Penguin are getting married! And we see how Maisy prepares (with some pretty new clothes) and then it is off to the wedding! We meet all sorts of animals who are also there to celebrate and how almost everyone had a flower on them or in their clothes! I was wondering why not everyone had one.
