It doesn't seem like it. Definitely playing with the idea and trying to confuse. Both stories even involve roses.' 'Everyone thinks I'm beautiful and perfect and it sucks.' So she attempts to be less than perfect. She messes up her hair. She eats messily. She snorts when she laughs. Meanwhile there's exams to be studying for. And a masquerade to go to. So she gets to dress up like a beast. And that part I found a little unrealistic. She should've done just fine on them. Maybe not A++ but certainly an A. But all she manages to do is pass. Childrens Young Adult Very enjoyable early reader chapter book. She tried to not being perfect my many ways. Childrens Young Adult.
