

Full Metal Heroine (Lady Hellgate Book 2) By Greg Dragon Will Helga be able to survive the mission and rescue those in need—or will she succumb to the war inside her mind? Full Metal Heroine (Lady Hellgate Book 2) Great science fiction Both nooks I've read and listened to were great first book was great lot of action and great characters Last of the Night hawks and this book was really well written I got to read and listen in the kindle app via kindle unlimited the narrator was great also 317 Going Strong !!!Greg Dragon continues the series awesomely.

A battle raging inside of her mind. Absolutely amazing series and by letting Cari Scholtens to narrate it into an audiobook is the perfect choice for a masterpiece !!!Absolutely fully recommend This series! Oded Ostfeld. Has a tendency to run slow then fast I am still enjoying this storyline 317 Greg Dragon brings a fresh perspective to fiction by telling human stories of life love and relationships in a science fiction setting. But rest and recovery are not within her reach after a satellite is attacked and human lives are lost: Helga must once again join forces with the Alliance to embark upon yet another dangerous mission of death and destruction, After losing her parents and joining the Alliance Navy Helga has proven to be special—special enough to be chosen for the prestigious Nighthawks, Helga having experienced war is determined to bury her survivor's guilt and the memory of her first mission, With the pressure mounting truly amazing unexpected spins on top of spins and on top of it it all feels so real like you are there with each character. 317 What a great story full of action and characters that you can relate to! You will feel like you are one of the team kicking butt and even worrying about names, I got so caught up in the story that I was up most of the night because I just couldn't put it down: If you like great space opera then give this novel a chance. 317 Great storyWell another great storyline with some good action: This unconventional author spins his celestial scenes from an imagination nurtured from being an avid reader himself. His exposure to multiple cultures multiple religions martial arts and travel lends a unique dynamic to his stories.
