I was impressed by this book for two reasons: 1. **PDF Choice words starting** Speaking of I wasn't expecting the amounts of tenderness towards children born and unborn that these writings contained! The featured authors write of their choice to get an abortion not with spite or disgust but with love and with the desire to be a good mom which sometimes means not becoming a mom. **Choice words crossword clue** And here we are thirty years later...But most of all this book reminds me of to borrow a phrase from Tavi Gevinson the low-simmering rage women walk around with - we try to live our lives amongst the mess of what could happen what has happened what we must do what we can do. **Choice words band** Of the 140 pieces that particularly stuck out: • "The Abortion I Didn't Want" Caitlin McDonnell • Cora Unashamed Langston Hughes • "The Pill Versus the Springfield Mine Disaster" Joanna C. **Poetry Choice words ending** )" Emily Carr • "The Mother" Gwendolyn Brooks • "The Lady with the Lamp" Dorothy Parker • I Am Used to Keeping Secrets About My Body Josette Akresh-Gonzales • "Of The Missing Fifty Million" Shikha Malaviya • "Tweets from exile in Northern Ireland" Jenifer Hanratty • Excerpt from "Standing Ground" Ursula K. **Choice wordsflow plugin** Le Guin • "Farewell My Love" Ginette Paris • "Right to Life" Marge Piercy • "Being A Woman" Jennifer Goldwasser • Excerpt from "Frog" Mo Yan • A Birth Plan for Dying" Hanna Neuschwander • "Nicolette" Colette Inez I am not in a Goodreads review going to proffer any solutions or calls for action but I will say that I really enjoyed this book. **Choice wordsk karaoke** Poetry Nonfiction Spirituality I can't review this prose and verse anthology since it includes one of my poems (alongside work by eye-popping echelons including Margaret Atwood Gwendolyn Brooks Langston Hughes Ursula K. **Choice words en español** Still I wanted to put down a few words about this anthology -- for example to say I appreciated how diverse it is its authors hailing from a relatively broad range of cultures and geographic locales. **Choice words book study questions** There are pieces dealing with the complex issue of sex-selective abortions in India; in one essay a
