Ellie. English Wow what a new series. I received ARC of this book. I gladly leave my review. This book is a roller coaster of emotion. It makes you want to keep reading. Could not put the book down. This is a thrilling mystery. I can't hardly wait to see the next book. This is a heart grabbing and mind blowing read. English Although this was a good book. I did get a little jumpy reading this story. It's a little more on the dark side of human nature. I found it incredibly boring. There is no action. none! Ellie is reckless and not at all appealing. English COLD TRUTHA good book that keeps you guessing. Only half the mystery is solved in this book. Got to read the next to find out the whole story. English Hated the female lead. I hated the female lead in this book. I found it difficult to continue reading this book. Gag. But the characters are ALL cardboard thin. Every one is a stereotype. Even the city of Charleston S.C. is reduced to little more than a suggestive southern locale. A missed opportunity. English Say the words. He's gotten away with murder for years. Until now. Instead of cowering that horrible night made her strong. and the admiration of a killer. I knew there were more books in this series but. this book rambled for chapters. I may like this series more than Winter Black. This thriller is very intense and full of suspense. Even the interaction between characters is intense. This is a true nail-biting and page turning story. Scared sure but she just needed to know. Needed to see with her own eyes. Scared sure but she just needed to know. Needed to see with her own eyes. This isn't to say she's a loner. Come on open a book. Mary dares you to look under the bed with her. {site_link}.
