

Labor and the State in Egypt By Marsha Pripstein Posusney Too much of a false dichotomy presented between Marxism and moral economy (Thompson was a Marxist after all!) but Posusney even mentions this herself when she's outlining her intellectual framework,

Surveys the relationships of workers and trade unions to the state in Egypt bringing to light the often overlooked effect of workers' collective actions in shaping public policy: Labor and the State in Egypt Brilliant well argued cogent thorough, Deserves to be widely read for students of Egypt labor the left neoliberalism or any combination thereof. 0231106939
