Hilarious sarcastic romantic and bingeable, **Love sucks quotes** Kindle Edition Okay I am LOVING this series and highly highly highly recommend it: **Love sucks meme** This is the best thing I've read in a really really long time: **Love sucks night one quotes** Generally I don't like cliffs because it seems unfair to make readers wait SO long for the next installment but some stories really DO need to be told over several books. **Love sucks night one quotes** The story is that big and they have proper arcs in each book and in the series itself, **Love sucks meme** Someone who KNOWS how to write a series and KNOWS how to write a good cliff: **Love sucks night one summary** Most of my objection to cliffs is that so few authors REALLY know how to do it, **Love sucks night 2 release date** Often they're just stretching a book out or breaking it into smaller pieces to have more books to sell, **Love sucks night one quotes** Also very often the cliff ends on the climax just in the middle of a scene for no reason. **Love sucks meme** Aubin KNOWS how to create a SATISFYING cliffhanger a moment of shocking and important revelation that you actually almost NEED some time to process. **Love sucks night 2 release date** And the revelation at the end of this one was CHEF'S KISS. **Love sucks night one spoilers** The banter is great the dialogue is snappy and smartly written, **Love sucks meme** It's also been a while since I've read a book I'm jealous I didn't write, **Love sucks night 2 release date** well here we are!
