

Can't Take My Eyes Off You (Wishing for A Hero, #3) By Kait Nolan **Can't take my eyes off of you book** While I think Nolan does enough explaining that this could stand on its own - there are a mentions of events & characters from book 1 & 2 as well as Wishful citizens from other books that I think it would be better enjoyed by those fully immersed in the Wishful "universe". **Can't take my eyes off you drum cover** (It also helps to bring up the image of Timothy Olyphant from Justified - swoon!) While this relationship proceeds at break-neck speeds.

Author Interview Q: What makes the Wishing For A Hero series special? Wishing For A Hero is a collection of southern romance novels honoring my Mississippi roots. **Can't take my eyes off you boys** When I started my core Wishful Romance series I set out to highlight everything that I love about living in the small town South--all our quirks foibles and dreams provide a fabulous (and often funny) backdrop to contemporary romances about stubborn independent women and the men who love them. **Can't take my eyes off you karaoke** Romance Contemporary Suspense This third book in the Wishing for a Hero series still takes place in Wishful the lovely Southern small town I've fallen in love with is placed chronologically by the author directly after Watch Over Me the second book in the WH series. **Can't take my eyes off you frankie valli** So after reading the first two books of the WH series I finally determined that the reason why the author separates the Wishing for a Hero (WH) books from the Wishful Romance books is because the WH books contain a large thread of suspense while the WR books don't and the theme of suspense not only continued but escalated in this novel. **Can't take my eyes off you sped up** Romance Contemporary Suspense
