

Sweet Cruelty (Ruthless Obsession #1) By Zoe Blake **Horror Sweet cruelty-free kitty** He mistakes her for the high priced escort that he ordered for the night and proceeded to kiss and fondle her all the while the heroine is trying to tell him that she is not who he thinks she is. **Horror Sweet cruelty-free makeup** 5 Now heads up this is a dark-ish romance in my eyes there is some dub-con moments (most triggers are listed below if you wanna check out) and some drama and steamy moments. **EBook Sweet cruelty-free kitty** I had a hard time rating this so I'm leave it at the rating above for now It might change because I havent seen the cover (yes i add stars for covers to lol) I got this as an arc so thanks Zoe. **Book Sweet cruelty-free** And as of 10/10 I'm updating my reivew since Zoe changed chapter 1 and added a bonus Epilogue!!! And well it was BOOM POW!! And now that he tasted her he wont let her go. **Book Sweet cruelty squad** Sweet Cruelty (Ruthless Obsession #1)No can't do itDnf at 15%I really don't like how this book completely skips over the fact that the main male character RAPED the main female characterI get that rape fantasy is a thing but this was not that. **Horror Sweet cruelty poe** Plenty of steam and possessive Alphaness from the Russian Dimitri who cannot let go of this sweet girl although he knows she would be better off without him due to his criminal ways. **EPub Sweet cruelty synonym** I repeat: THE HERO HAS A GOATEE!!!! Imagine reading a steamy scene the clothes are ripped off the heroes are in the throes of passion and then suddenly SUDDENLY the heroine's face is touched by the hero's GOATEE Aside form this crime against romance genre itself the hero rapes the virgin heroine in the first half hour of their meeting. **Book Sweet cruelty poe** He mistakes her for a hired escort and thinks it's part of her play but when he understands firsthand (or should I say firstdick?) that she is a virgin and NOT an escort continues to ruthlessly pound her chasing his pleasure. **Sweet Cruelty book** Meanwhile all this time from their meeting the heroine instead of shouting loud and clear I am NOT a prostitute! timidly begs him to stop and that she is not that kind of girl. **Sweet Cruelty ebook3000** Every time the hero manhandles her punishes her or controls her the best friend convinces her it's for her own good! Some of the \$ex scenes were hot but a lot of them disturbing. **EBook Sweet cruelty free** The engage in anal which the heroine repeatedly said she didn't want but the hero threatened her with punishment so she gave in out of fear; during this activity the heroine is screaming from pain and begs him to stop but he doesn't listen and pushes harder instead Also the cherry on this pile of poop: THE USAGE OF RUSSIAN LANGUAGE. **Kindle Sweet cruelty meaning** NO russian speaking person would formulate a sentence that convoluted seconds before cuming into a woman Иисус Христос! Ты собираешься убить меня женщина! I'll stay away from the author in the future cause enough is enough Zoe Blake 5 'my little one' stars tw: dub conhow have i never read books by this author before?? i picked this book up on a whim. **Book Sweet cruelty** i was in the mood for something dark and i'd recently bought this one so as soon as i saw this one sitting on my kindle i jumped right in without even reading the blurb! and needless to say i loved it! моя крошка. **Book Sweet cruelty-free** Even though she is initially overwhelmed she soon starts taking everything in stride and i loved that!You can't do that! What if the birth control fails?Then I hope our daughter has your eyes. **Horror Sweet cruelty-free** these two had sizzling intense chemistry that burned the pages! the writing was flawless and the plot was intriguingpossessive because he didnt listen to Emma when she said no in their first meeting and many times during their relationship a misunderstanding is what brought them together he thought she was a escort the agency sent he didnt let her explain because he thought it was well role-playing no cheating Drama sexy times virgin gal and mentions he was a manwhore (he talked about past woman) but never showed anything. **Horror Sweet cruelty poe** Recommend- MaybeCover-Slow-instaburn Push away from hOlder/younger couple Violence Safe sex/no condomPain kinkAnal sex Separation few days (both faithful)Non con/dub con

USAT Bestselling author Zoe Blake delights in writing Dark Romance books filled with overly possessive Billionaires Taboo scenes and Unexpected twists. **EPub Sweet cruelty synonym** And even if Emma in the end decides that she does not consider it rape that's on her but as a friend a person her roommate should be worried about her and what happened instead she is acting like this is a normal hookup. **Book Sweet cruelty-free makeup** But after he entered herald realized she was a virgin he pulled out then confirmed she was over 18 and thought how he always takes things by force and she'd be no different then proceeded to continue the rape. **Kindle Sweet cruelty squad** Imagine my surprise I'm reading this book and all of a sudden (not really) I come across the hero's term of endearment for the heroine that showcases that he actually addresses her as a male. **Book Sweet cruelty-free** Genuine question: if you can't research for shit even if your life career and image (don't mind me being dramatic ☹️) depended on it or you're too shy/lazy to search people who might be able to assist you why not just write everything in English? Add something like he said in Russian and reap the fruits of your ingenuity and intelligence? Sounds pretty simple and awesome from my vantage point. **Book Sweet cruelty-free makeup** Dimitri you are sure as hell not Russian but thanks for the comic relief I guess? And no I'm not willing to turn a blind eye to it because the book content is even worse thus the language misuse is not justifiable xx,

She lives with her best friend roommate.instead the door is opened by the big bad Russian .They have sex.he finds out she is a virgin.explanation time .and the hero is like. she is MINE.MINE.MINE.But this hero was all about his girl. It's not. Zoe Blake Finale review!!! (Updated) 3. Like I said i had love/hate relationship with him. But I'm not. I'm a cruel bastard. I ruthlessly claimed her virtue for my own.It should have been enough. But it wasn't. I needed more. Craved it. She became my

obsession. Her sweetness and purity taunted my dark soul. The need to possess her nearly drove me mad. She didn't belong in my world. I would bring her only pain. This was anything but consensual. It had my level of dark without torture and humiliation. Zoe Blake.
