

Savage Vow (Ivanov Crime Family, #1) By Zoe Blake **Savage Vow books** Its darkish and dirty and ☐ and they do have this Dub-conish type of vibes so be warned!! Now many have read Zoes books so you'll know how she writes her dark romance books. **Savage Vow horror stories** Samara (18 at the start) hasn't seen Gregor since he left 5 years ago so when he's at his sisters 18th bday party he saves her from being sexual assaulted by her then boyfriend. **EPub Savage vow renewal** Their relationship is very dom/sub and they both need to learn to trust one another and Samara does push and poke the bear she claws and few times and also gives into Gregor. **Book salvage value** I had a love/hate relationship with samara i wish she clawed more and try to make Gregor work harder but she was a good friend and sassy which I love.

USAT Bestselling author Zoe Blake delights in writing Dark Romance books filled with overly possessive Billionaires Taboo scenes and Unexpected twists. **Book Savage vowst** There were some parts that I liked but many more that I didn't!The heroine is sold to the hero by her father she had a crush on him when she was younger but she fears him also and she runs away. **Savage vowo** With each lash of my belt and touch of my hand I would watch as those striking emerald eyes of hers flashed with flecks of gold as I awakened her to the pleasure had through pain and punishment.

3. **Savage vows bridal** Honestly she was TSTL and such a petulant brat that when he punished her I was like good ☐I dunno what it says about me but I'm so onboard with humiliation and all the kinky fuckery in this book ☐ you like what you like I guess!Interested in the other books in this series in the hopes the h's in them have a few more brain cells and less tantrums. **Savage vowo karlsruhe** Maybe because I was expecting more after having read so many romance novels with similar tropes sometimes some authors pull it off really well while this one just felt bland and I did not understand or see any growth in character in either the h or H.

first 50% of the story despising Gregor Ivanov and wanting to cut off his balls it picked up momentum in the second half, **Savage vows bridal** It was the moment Gregor realised that his fucked up ideals wasn't getting the desired effect and changed his tactic: **Savage vowo karlsruhe** Here's a titbit bullying is for narrow minded cowardly fuckers and will never be attractive, **Savage Vow kindle** Luckily you saw the light Gregor! She probably thinks I'm a Neanderthal who wants a woman chained to a stove, **Savage Vow books** All most all the lines are same as icious oath bcz i read that first. **Book Savage vovd** WHAT IS WITH SPANKING AND ZOE BLAKE BOOKS??? All the sex is forced in this book so i skip most of them and again there is no plot: **Savage vow zoe blake** when you first meet that man he's hot/cold with his mood i was so glad he never gave up looking for his woman: **Book Savage vowel** And he can be a jerk/asshole so be warned lol I do wish he would explain to Samara some of his reasons why he did what he did. **Savage Vow horror** But I do love his ass ☺☺ Also his dirty mouth ☺☺ Now the Epilogue is of Yelena the friend and her story with Gregor brother and their story, **Savage Vow epubor** 5 Stars This was pretty hot not as good as Sweet Cruelty though and it mainly loses a star because the h was such a dumb ass. **Savage Vow epub.pub** oh and don't live on a diet of McDonalds like they are 13 years old and allergic to vegetables dunno why that pissed me off but it did haha, **Savage vowo karlsruhe** Savage Vow (Ivanov Crime Family #1) This is everything I love in a romance. **Book Savage vovd** Zoe Blake is a new to me author and I wasn't disappointed with Savage Vow, **Savage Vow epub reader** The book isn't for everyone but for those that like an overbearing overprotective domineering Alpha then this book is for you: **Book salvage value** The storyline of falling for my best friends brother and an arranged marriage isn't anything new but I enjoyed reading the authors POV on both genres. **PDF Savage vow renewal** Gregor is the head of his family and in order to legitimize the name he must marry. **Book salvage value** I liked her independent nature and her strong will although I was anxious for Gregor to find her. **EPub Savage vovst** Gregor was demanding and a bit kinky but he also showed his sweeter side with Samara: **Savage Vow booking** Samara held off as long as she could but it's hard to stop loving your first love: **EPub Savage vovd** Savage Vow (Ivanov Crime Family #1) I don't know I just didn't enjoy it as much. **Savage vowo karlsruhe** Push and pull seduced by the "sex" H punished the h a bit too much using both hand and belt Savage Vow (Ivanov Crime Family #1) Ok read plot was nothing new. **Savage Vow books** Heroine is sold to Hero she runs away he chases heroine resists but gives in, **Savage vows bridal** the end! Savage Vow (Ivanov Crime Family #1) \*\*\*4. You are my salvation. That is where Samara comes in. Samara and Gregor are like fire and ice. Gregor is the epitome of the anti-hero. He is rough raw and demanding. Alpha seems tame in describing him. Possessive and over the top he is. This was such a good book. Well written and fast paced. It is VERY dark and not for everyone. Triggers galore including violence dub con and BDSM. I highly recommend to my dark readers. I received an ARC in exchange for an honest review. Savage Vow (Ivanov Crime Family #1) 3. I don't buy it and it makes me uncomfortable. Forced blow jobs and hardcore spankings don't turn me on. I need a serving of foreplay to sweeten up the honeypot. Especially to a man ruthless enough to give you chills. So with little choice she flees. So how dare she run. Samara quickly learns what disobeying Gregor brings. Fortunately he enjoys balancing pain with pleasure. There is no reasoning with him. Samara was awesome as a character. He just wasn't very lovable. Savage Vow wasn't a complete disappointment. Well I'm not. Chained to my bed. that was different. I think this book has made that concept blurr. So i don't have much more to say about this. Savage Vow (Ivanov Crime Family as for Gregor. It was short sweet and dirty (in the best ways). Unfortunately his intended decided to run. Samara is feisty. For me these two didn't disappoint. The sex scenes were hot and kept me reading.
