

Rattlesnake Road (The Road Series, #1) By Amanda McKinney **Rattlesnake grade road conditions** However going into it - I clashed with the main female lead as I found her one of those spoiled housewives who eventually realize that she doesn't like the way she has turned out and so she packs and leaves and starts again. **Roadrunner vs rattlesnake** Our main character didn't come from money and was at a point a hard worker and then she married a rich and wealthy husband course the next part is very cliched - she fell into the role as a rich man's wife and then one day experienced a tragedy that caused her to wake up from her stupor and discover her whole life was a sham and then she leaves her husband and settles into a small-town where she secretly had brought a fixer-upper cottage for herself. **Rattlesnake road mystery 202** We also learn that due to Grey's life with her husband the bottle aka alcohol became her best friend and soon she will find herself always needing that next fix and soon the drinking will cause her to lose everything including a job she did at one time love but as she won't stoop to the level of the others and sleep with the boss - that was at a standstill too. **Pdf rattlesnake road pdf** Rattlesnake Road is one of those slow slow-burn romances as it doesn't seem to hit any peak until about 60% through the story which personally for me is too late in the novel to pick up as normally I would have quit within the first couple of chapters if things haven't picked up as I am more attuned to faster-paced novels. **Kindle Rattlesnake road trip** Overall if you love books that focus more on the character development and growth than romance and action - then you will feel right at home with Rattlesnake Road by Amanda McKinney. **Rattlesnake roadpro 12v** It's my first time reading this author our heroine is a hot ass mess yeah she's going through issues in her marriage and stuff but dang I didn't like her the love triangle vibes i thought we were gonna get wasn't really there that aspect of the storyline was weak AF. **Rattlesnake Road epub** Rattlesnake Road (The Road Series #1) Trigger Warnings: Miscarriage Adultery Violence/Self Harm Alcohol Abuse Questionable (rape?) sexual encounter Murder of an animal in the past (bares no relation to the MC) & Murder of a little girl in the past (bares no relation to the MC). **Rattlesnake ready** Rattlesnake Road (The Road Series #1) DNF @ 14%I've heard so many things about this book and was definitely excited to get into it but unfortunately I had hard times getting into this book. **Rattlesnake roadpro 12v** Mature oak trees tall enough to touch the clouds carry the whispers of the haunted of stories untold Inside sits Grey Dalton emotionally battered and bruised her only wish to pick up the broken pieces of her life. **Rattlesnake road book** I received an Arc copy of this book and chose to post this review Rattlesnake Road (The Road Series #1) ***Thank you to NetGalley and the publisher for providing me with a copy of this book in exchange for an honest review. **Kindle Rattlesnake road runner** After a miscarriage losing her job and deciding to get a divorce she finds herself in the small Southern town of Berry Springs in an old house she bought off of the internet in a spur of the moment decision. **Rattlesnake roadhouse** After suffering a miscarriage and getting fired after a drunken outburst at work Grey starts to re-evaluate her life and her first step is to leave her cheating husband and her luxury life behind. **Rattlesnake road in kentucky** Grey Dalton's character is fantastic; sarcastic and funny I was drawn into her life and wanted her to succeed anxious over her set backsWith two love interests introduced one promising her the life she had left behind but the one she was used to and attracted to whilst the other offered her a new beginning where she would have to come to terms with her inner turmoil. **Rattlesnake roadq qq** Rattlesnake Road had me glued to the pages there was plenty of fun banter between the characters a bit of harmless snark that kept me laughing a great twist that had my heart racing and one swoon worthy male that melted my heart. **Rattlesnake roadzen inc** Sadly the house resembles nothing like the beautiful cottage online it's in literal shambles and while fixing the house she comes across mysterious letters that leaves her shocked and these very letters may hold answers about the mysterious man who tugs at her heartstrings. **Ebook rattlesnake road london** It gave a very spooky vibe to the story and let me tell you this book is on the darker side and there are some pretty descriptive scenes(animal abuse-cat) that even I had to just close the book for a moment. **Rattlesnake road line dance** I was really hooked to the story and the pacing was really good I loved the side characters the description of the town it was very easy to visualise the setting of the

book and I loved the vibe of this book. **Rattlesnake road pa** TW- abortion relapsing alcoholic descriptive text about animal abuse rape Rattlesnake Road (The Road Series #1) Lots of triggers going in so make sure to look them up before reading! Visit her website at {site_link} www. It took me days to finish this storyline. So sad. 4.5/5! I didn't see any of THAT coming. I felt for Grey. What did I like? - Declan. Forget like I love him. What a freaking man. (Except for the feet fungus. That was hilarious though.)- Engaging story. I loved McKinney's writing style. There was an obvious distinction between all her characters. The imagery used was just beautiful.- Angst between Grey and Declan. Two polar opposites. I love that trope. - Dialogues. Do I have to say more?- The amount of research. Just ah. the back story behind that tied it all together. It piqued my interest in the book. -Depiction of mental health & alcoholism. Not very easy to do justice to such deep topics. What I didn't like? - Grey. Her actions just pissed me off. Overall I enjoyed the book. Blog: <https://periwinklepens.wordpress.com/>. The characters are real and raw....Anyway thank you NetGalley for the review copy. ☐ Everyone hits rock bottom only the brave escape. Welcome to 1314 Rattlesnake Road. One will steal her heart the other her soul. It did get easier though. I must say this did put me off. So sad I didn't feel that way for this one. I am so grateful as this was one hell of a story. Raw gripping real this romantic suspense is a must-read. This book exceeded all my expectations. The characters are amazing well developed and real. The story is told by 30 year old Grey. Grey is struggling. I blamed myself. So I drank. I thought I had it under control. until I lost my job. In an old dilapidated house with limited funds. I was back there. Lucas is rich ruthless selfish and ambitious. Declan is serious brave supportive selfless. It will make you think. It will make you feel. It will make you cry. And it will make you hope. And the audio narration is amazing. It will drive

it home. Trigger warnings for alcoholism miscarriage sadism depression. Grey's life has spiraled out of control. It did at times become quite dark and disturbing. If you love new beginnings Rattlesnake Road is worth a read. I must say that the author nailed the mystery aspect. So fair warning before going in. I do not want to spoil anything in this regard. The storyline was pretty romantic as well. Just go in this one blind. I had a good time reading this one. amandamckinneyauthor.com Follow Amanda on Instagram at www.instagram.com/amandamckinneyauthor Follow Amanda on Facebook at www.facebook.com/amandamckineyauthor [{site_link}](#).
