

Vicious Oath (Ivanov Crime Family #2) By Zoe Blake **EBook Vicious oath** Now he has no choice but to chase her and make her regret her actions all the while tying her to himself permanently! Yelena had always liked Damien but at the same time he scared her too. **Book Vicious oaths deepwoken** Damien has not set his eyes on his prey and there is now way he is letting her go at any cost!! Overall Opinion : I was in such a book funk and wanted a delicious dark tale to get me out of it. **Vicious mockery bg3** I have recently discovered this author and am not ashamed to say that I am absolutely addicted to her brand of darkness!! Zoe Blake is the queen of writing amazing storylines and steamy Dubcon scenes which are both my kryptonite. **Book vicious oath pdf** A must read for all the dark mafia Romance lovers out there! Instagram | Facebook | Twitter | Pinterest | Bookbub | My Blog English ***4 STARS***Zoe Blake continues this epic trilogy with Damien and Yelena's romance. **Vicious Oath booking** I'm totally victim blaming myself when it comes to this particular point; believing that authors who write smutty books actually give a damn about being respectful of other cultures...so NAIVE):/1) I must admit that this story surprised me solely with the fact that it all didn't boil down to wild sex with a barbaric Russian male like I initially expected it would (I'm not actually believing my own choice of words here). **Vicious oathlaw** The plot wasn't interesting or intriguing enough for me (mostly cat and mouse routine that got old soon with an outward danger thrown in) but at least it did exist in the realm of this book. **Vicious oath suspense pdf** Sex happened in the second part of the book but the intense foreplay starts assaulting you (no pun intended) right from the very beginning and I cannot help pointing out that I.

This book is all over my feed lately so I'll read it. **Vicious oathless** Also I want to see if the author keeps Google translator as her bestie or she has improved the research skills since our first encounter English I'm giving this a 3 cause it made laugh like seriously it was funny. **EBook Vicious oath keeper** get this series! I wanted to keep this review short and simple :///Okay-OK-ay (take 2) I've managed to finish the book so I'll write my trash review and be done with this author... forever. **Vicious verses of a violent vigil** My mind is always a dark and chaotic place to be right after I read stories I didn't particularly enjoy but I'll try to keep my nasty books' bully side at bay just this once. **EBook Vicious oathbreaker** Putting aside my general dislike for dirty (aka considered hawt) porno style description of intimacy that is filled to the rim with blinding lust but is lacking in sweet and tender details like caring touches prolonged eye-contact (sorry I'm that cheesy) sex was presented in a very patriarchal and let's cut the bullshit degrading for women light. **Vicious Oath epub.pub** When the heroine is talking about her sexual activities with the hero she uses the words like "forced upon me" and fights him every now and then but at the same time she feels extremely aroused and thinks about letting him go all the way which MAKES ME CONFUSED AS FUCK because although the

readers know her true feelings the hero despite him claiming otherwise doesn't. **EBook Vicious oath keeper** I've read quite a few books featuring rape and dub-con scenes and I'm mostly fine with them (because I have no business judging women for exploring taboo subjects) as long as rape is called and regarded as what it actually is. **Vicious oath horror book** All these half-hearted attempts at drawing excuses for the male character's rapey behavior by portraying the act as something the woman in fact wanted and needed (in her thoughts) despite all the outward signs (crying and fighting) clearly telling the said male otherwise? U-T-T-E-R B-U-L-L-S-H-I-T. **Vicious oath horror book** Also she succeeded in escaping the hero a few times but unfortunately my brains don't perceive this a sign of her extreme craftiness or cleverness... The only thought that circled my mind amounted to a simple question "is the male lead really that dumb?"
Vicious oathless deepwoken 3) Oh my...oh my... aren't the Russian phrases in this one a little gem? Honestly I don't even know what to think of this author's researching schemes anymore... Colour me intrigued.
Vicious oath read online a) Just to maintain the experimental integrity I used Google translator in order to translate the deeply cherished by the author phrase "my little fallen angel" into Russian (overused endearment in the story) and guess fucking what??? Google translator that poor little thing that had to endure my continuous contempt for so -so long did in fact translate this one correctly as "moy malen'kiy padshiy angel"!!! "Moya malen'kiy padshiy angel" is not okay guys especially used by the hero I am supposed to find attractive. **Vicious oathk kai** So my question is...what other means does the author resort to when translating into Russian? / By the way am I the only one who finds "my little fallen angel" rather weird as an endearment be it in English Spanish or Russian? /b) Levin Nikitina. **Vicious oathg gif** Isn't this an ethical thing to do after all?I know that not in the scariest nightmares did Zoe Blake imagine that some of her readers would be petty enough to call her out on her lack of proper research but ... ,” Plot Summary : Damien has always been a ruthless man: **Vicious Oath epubor** The only one who has come closer to thaw his heart is Yelena: **Vicious Oath epub file** She has gone too far this time and many dangerous people are now after her: **PDF Vicious oath keeper** She thinks Damien can protect her but then finds out that all he wants is to control her, **Vicious Oath epub.pub** This book was the same! Damein and Yelena have one hell of an explosive tale of which I enjoyed every word, **Vicious mockery bg3** There were a lot of dubcon scenes so please be careful about that, **Vicious Oath epub air** It was dark and gritty making me love every word of this masterpiece! The ending was the best part of this book and I can't wait for more from this author. **Vicious oath read online** I already know who are going to be the next couple and I am particularly excited about them, **Vicious oathless** Yelena has caught the attention of Damien "Demon" Ivanov.

said above there relationship was alot of push/pull until there was more danger: **EBook Vicious oathbreaker** But that didnt stop Yelena from chewing out Damien and didn't stop Damien from chasing after his woman. **Vicious Oath pdf** I'll be honest at one point Yelena did mess up so Damien can catch her because running away 101 never use a card □□□ so I knew she was done running, **Book vicious oath waterstones** Low angst.
