

The White Wolf of Wishing Moon Bay (The Bond of Brothers, #1) By Harmony Raines **Book The White Wolf of Wishing Moon bay area** I just would've wished we got more growth of Logan and Penny's relationship because due to Penny's past she has major of trust issues where men are concerned thanks to her ex-husband leaving her and Milo for another women but still thought her and Logan are great together and loved how he showed his softer side with Penny and Milo. **The White Wolf of Wishing Moon bayza** I wonder if Penny and therefore Milo end up being completely not human considering the protection talisman from the attic called to him and when he gave it to Penny she thought that it felt familiar somehow. **Book The White Wolf of Wishing Moon bay summary** I loved getting to meet all of Logan's adoptive brothers apart from Dario the Bay Horse Shifter and I'm really looking forward to them meeting their fated mates as the series continues. **Book The White Wolf of Wishing Moon bay ny** Wolf shifter Logan knows that Penny is his mate the instant he sets eyes on her now he has to try and make sure she sticks around! Penny has been through a lot recently and Wishing Moon Bay might have a lot to offer her but she doesn't know anything about the magical side of the town! This was an enjoyable and quite sweet paranormal romance with a silver fox (well he's a white wolf but in his forties). **Book The White Wolf of Wishing Moon bay** Title: The White Wolf of Wishing Moon Bay (The Bond of Brothers #1) POV(s): Dual—Third Person Interconnected Series: Yes Standalone: Yes Cliffhanger: No HEA: Yes Genre(s): Contemporary Paranormal Romance Triggers: N/A Tags/Tropes:  Divorced-Single-Mom  Fast-Burn  Fated-Mates  Heroine-in-Danger  Poor-Struggling-Heroine  Small-Town (Magic Community)  Wolf-Shifter-Hero-Human-Heroine The White Wolf of Wishing Moon Bay (The Bond of Brothers #1) Protecting What's His Yet another great story from Harmony Raines! Logan has resigned to the fact he will probably never meet his mate. **Book The White Wolf of Wishing Moon bay area** And then there's the weird feeling that she's visited Wishing Moon Bay before... The White Wolf of Wishing Moon Bay (The Bond of Brothers #1) Reviewed at Shifter Haven The White Wolf of Wishing Moon Bay begins a new series The Bond of Brothers (Wishing Moon Bay) with a story that quickly captured my heart and my need to know more about these people who live in and are drawn to the coastal magical town of Wishing Moon Bay - a place that appears on no map and the entrance is hidden from human eyes until the right people need to see the way in. **Kindle The White Wolf of Wishing Moon bay area** Now I'm a huge fan of this author's Bear Bluff/Bear Creek world (and the spin-offs as well) so it was a fun experience to see where we'd be going in this brand new world that is not connected in any way. **Book The White Wolf of Wishing Moon bay er** Now comes the challenge of letting Penny and Milo know what he is just how filled with magical beings the town is and fighting the danger that is felt but unseen for now. **The White Wolf of Wishing Moon Bay book pdf** She'd been on the way to stay with her sister for a while when her car suddenly had death rattles and the signs for a small town that she had never seen before guided her to Wishing Moon Bay. **The White Wolf of Wishing Moon bay meadows** Everyone has an angle right? She just has to keep focused and get back on the road - or she would if the hotel manager wasn't so attractive attentive and determined to care for her and her son. **Science Fiction The White Wolf of Wishing Moon bay area** There are brothers to be introduced secondary characters that I'm waiting for their stories to be told definitely bad guys and danger giggles that surprised me sizzling chemistry that entices and a whole new world to explore. **The White Wolf of Wishing Moon Bay paranormal scene** The White Wolf of Wishing Moon Bay (The Bond of Brothers #1) In general the dialogue was pretty flat and boring and a lot of it could have been summarized instead to move the pace along. **The White Wolf of Wishing Moon Bay epub.pub** Additionally I found the 8yo kid Milo's dialogue to be a little bit unbelievable and not suited for his age - I'm not sure if it was the sentence structure or concepts that threw me off but he spoke like a much older boy. **EBook The White Wolf of Wishing Moon bay book** I am more used to emotional simple dialogue if any and Logan's wolf seemed more analytical and logical than he was when trying to get the FMC Penny to stick around! I found a few editing errors that really annoyed me as well. **EBook The White Wolf of Wishing Moon bay chapter 3** In the scene there was some dialogue mentioning that there was something extra in it that was offensive to dragons and the staff suspected it was tampered with but

the exact details weren't revealed until at least 3 chapters later and they reviewed the incident to clarify that it was a mouse had been found in the soup. **The White Wolf of Wishing Moon Bay booklet** The White Wolf of Wishing Moon Bay (The Bond of Brothers #1) Amazing romance about Wishing Moon Bay This book is the first on a series about the magical community of shifters (of all kinds) ordinary humans witches and warlocks. **The White Wolf of Wishing Moon Bay Science fiction vs com** Facebook: {site\_link} the author: If you love shifter romances sign up to my newsletter at {site\_link} and you'll receive an exclusive subscriber only book Fated Mated: Love at First Site absolutely free! fan of the internal dialogue from Logan's wolf. **EPub The White Wolf of Wishing Moon bay epub** In one scene Penny took away a warlock's soup urgently because there was something wrong with it. **EBook The White Wolf of Wishing Moon baylor** It definitely was not mentioned in the original scene - I searched the text and reread it multiple times to make sure. **Science Fiction The White Wolf of Wishing Moon bay area** Ultimately I just generally didn't care for the plot or the romance: **The White Wolf of Wishing Moon bayx book** Much of the angst between the couple seemed to repeatedly be whether or not Logan could convince Penny to stay in the supernatural town instead of leaving: **The White Wolf of Wishing Moon baymeadows** The pivotal plot point for all the mystery and action also revolved around whether or not Penny had left on her own without telling Logan: **Paranormal The White Wolf of Wishing Moon bay cast** The villain and their motivations were also severely undeveloped and I started skimming pretty heavily after 55% of the book. **EPub The White Wolf of Wishing Moon bay area** The final intimate scene was also rather cringy to me and the details could have been skipped over: **EBook The White Wolf of Wishing Moon bay chapter 3** While I do love the concept of an adopted family of different animal shifters I don't think this author's books are a good fit for me so I'm passing on the rest: **Paranormal The White Wolf of Wishing Moon bay cast** The White Wolf of Wishing Moon Bay (The Bond of Brothers #1) Insta-love relationship was a bit much. **PDF The White Wolf of Wishing Moon baylor** The constant insecurity of Logan is just overwhelming and makes the insta love seem ridiculous, **The White Wolf of Wishing Moon Bay book series** Of course you're scared she left or will leave or whatever — you don't know her! And the villain was manufactured and the plot involving the villain was underdeveloped. **The White Wolf of Wishing Moon Bay epubor** So all the dialogue sounds weird especially when coming from the kid. **The White Wolf of Wishing Moon Bay Science fiction vs** The relationship between the boys and their mom was super adorable, **Book The White Wolf of Wishing Moon bay ny** A special stone found in the sand when tossed in the bay during the wishing moon grants the wish. **The White Wolf of Wishing Moon bayza** Penny and her son Milo developed car problems as they passed Wishing Moon Bay, **The White Wolf of Wishing Moon Bay paranormal scene** Logan is a wolf shifter and adopted son of the owner of the hotel, **The White Wolf of Wishing Moon Bay ebook pdf** Can he convince her he is her forever? The cast of characters are an enchanting mixture of funny intriguing and sexy: **The White Wolf of Wishing Moon Bay book 2** The fast paced vivid scenes with a mystery gives this story life: **Book The White Wolf of Wishing Moon bay by john** I like the realistic but hidden approach to the magical seemingly ordinary community. **Book The White Wolf of Wishing Moon bay bookwormsuzy** The White Wolf of Wishing Moon Bay (The Bond of Brothers series) and author to everyone. **Book The White Wolf of Wishing Moon bay chapter 1** The White Wolf of Wishing Moon Bay (The Bond of Brothers #1)

#1) Erm this book. never expected to find the love of her life there. a man that claiming that's penny

his is mate. that's not the only thing this man has to explain. I thought it was a great start to a new series. I really loved Milo he's awesome. Even Jeremy was a decent character despite his actions. A fun read for the paranormal romance fan. 5 Stars          . Something is amiss here but she is unsure what it is. Most of the inhabitants have supernatural powers. Whatever the cost. Only it's not the middle of nowhere. Soon Penny is caught up in otherworldly danger. I loved The White Wolf of Wishing Moon Bay. I read this title through my Kindle Unlimited subscription. Also she does not use contractions. Finally there were inconsistencies and typos. He is also Penny's mate. Highly recommended for readers looking for something different. Email: [harmony@harmonyraines](mailto:harmony@harmonyraines).
