Hell she has me hooked so bad! This series is my new addiction. **EBook Betrayed honor** A must read for all the dark romance lovers! If you want to read one hell of a romance with a very JP hero and DubCon situations then don't hesitate to read this one! Instagram | Facebook | Twitter | Pinterest | Bookbub | My Blog Betrayed Honor (Ivanov Crime Family #3) Hmmm. **Betrayed honorfne-an00** □ not so innocent h with sass □ J/P dirty talking H that doesn't relent □ innocent teenage crush turned forever after □ falling for her bodyguard ← boss's little sister Having coveted the one person she shouldn't Nadia isn't so sure how to get Mikhail want her the same way. **Betrayed honorfne-an00** This story may be the conclusion to the Ivanov Trilogy but I look forward to seeing glimpses of everyone in Sweet Depravity - the long awaited Vaska and Mary book!! Although these are designed to be standalones within an interconnected series I highly suggest reading in publication order. **Book Betrayed honored** The unwanted orphan left in the cold cement steps of an orphanage deep in Siberia knows that someone like him could never marry into a powerful mafia family so he's always kept his emotions and hands to himself. **Book Betrayed honor flight** Except for one night on Nadia's 18th birthday he catches her with another guy as innocent as it was Mikhail's jealousy finally came to a head and he ended up getting handsy with Nadia. **Betrayed honorbuilt** That I hadn't lived for the small crumbs he tossed my way: A stolen glance here the accidental brush of his hand there the sound of my name on his lips no matter how casually. **PDF Betrayed honor credit** Commentary: I liked Nadia - she was a little less intense than the heroines from the first two books (although I did find it interesting that all three girls were into creative artsy-type pursuits in this case jewelry-making). **Book Betrayed honorarium** Where in the first two books the girls could keep up with the punishments and even liked them (I guess - I don't know if I'm convinced but they said so) Nadia didn't seem to be at all interested beyond a slight physical response at times. **Betrayed honore de** 5 □ Now its time for Nadia and Mikhail romance!! This one was a little lighter then the other two BUT still has that OTT alpha Caveman Mikhail □ We start off at Nadia 18th bday party and what happened with her and Mikhail and I gotta tell you the first 9% of the book □ □ □ □ □ it's steamy from the get-go until Mikhail regrets what he almost did and pushed Nadia away silent and watching her from a distance for 3 years. **Betrayed Honor book** Now that the whole gang is back together the tension is high between Nadia and Mikhail some hidden moments and another mistake by Mikhail that pushes Nadia away again oh you dumb man lol. **Betrayed honorable** Low angst no ow/om drama no cheating Slight secondary charas drama sexy

There is no doubt that Nadia has loved Mikhail from afar but the romantic notions she's concocted in her head are nowhere near what she's getting...possessive arrogant and a deviant in the bedsheets. **EBook Betrayed honorarium** I'm all for spontaneity in the bedroom but really did you want to calm your farm and initiate the virgin before you went 50 shades on crack? I didn't buy it and could you please invest in some lube?? Other than that it was great!ARC provided by author in exchange for my honest opinion. **Betrayed honorfne-an00** I love it when a man waits for his woman to be old enough to be completely his especially when he works for her family and any guys TRYING to date her are quickly taken care of. **Betrayed Honor suspense date** She's 21 living her life excited for her best friend's wedding (to her brother) when she decides to escape the eyes of Mikhail and the other guards AFTER Mikhail passionately kisses her and she rejects her AGAIN. **Suspense Betrayed honor credit** The H takes care of him -she tries dating but the H doesn't allow any man to get close to her -dubcon/noncony ish (I think it's more dubcon but -spanking/an@l play and smexx/praise kink/toys -no c0nd0ms are mentioned at all- no bc either. **Betrayed Honor book** Betrayed Honor (Ivanov Crime Family #3) Deliciously dark! The ending was really cute and it really rounded off the conclusion of their relationship: **Suspense Betrayed honor health** And I did enjoy seeing the couples from the previous books in their current lives all together, **Book Betrayed honorlock** There's definite smut ☺☺ (because this is a Zoe Blake book and she's probably one of my top authors that I feel can write smut like no other: **Betrayed Honor ebook3000** Every time I read one book by her I need the next one! It's like a repeating pattern. **Book Betrayed honorlock** Her writing is so addictive and there is no way I can let go of this series, **Horror Betrayed honored** Their tale hooked me in and didn't let me go until the very end! They both had a tale filled with so much heat and suspense, **Horror Betrayed honored** I loved Damien and Gregor in this book and how they always protected their baby sister, **Betrayed Honor ebook3000** I would still strongly suggest this series to any readers looking a naughty read. **Book Betrayed honor health** Happy reading DD ☺ **Betrayed Honor (Ivanov Crime Family #3)** Mikhail and Nadia's story has been two books in the making, **Book Betrayed honor credit** We've witnessed all the craziness her two best friends experienced the night of her eighteenth birthday party and the following three years: **Book Betrayed honorlock** Little does she know her brothers head of security actually covets her as much as she him: **Betrayed honore de** All the brutish stares and overprotective behavior isn't merely his job it's his need to protect what is his, **Betrayed Honor book** Each book in the series builds onto the next technically it was my job to watch over her to protect her: **EPub Betrayed honor flight** "Mikhail had been my one and only crush since he first started working for my brothers two years ago, **Book Betrayed honorlock** "It was clear that they both had an interest and sparks flying from the get go. **Betrayed Honor book** And for three years after he barely spoke to her leaving her with that small memory on her 18th birthday. **Suspense Betrayed honorarium** "There hasn't been a day I hadn't ached for this mans touch, **Book Betrayed honor** "Opening up her own jewelry store Nadia tries to find her own identity and having her own sense of freedom she unknowingly became the target of a targeted break-in. **Betrayed honorfne-an00** Mikhail was her rescuer of course and became quite the unconventional knight in shining armor. **Book Betrayed honorlock** From here on out the book is full of suspense and drama within the mafia world: **Horror Betrayed honored** But this book just didn't quite do it for me as the others have: **Betrayed Honor kindle unlimited** Now don't get me wrong I love my overly possessive dominant dubcon/noncon scenarios but the way that Mikhail talked to and treated Nadia wasn't sexy or fun to read for me. **Betrayed Honor suspense definition** I'm glad that Nadia somewhat stuck up for herself I just didn't feel for this story as much. **Betrayed honorable** Mikhail had all this loyalty to the brothers and all the sudden he had no issue spouting off - "Nadia would be my wife as soon as I could arrange it. **Betrayed honorhall** The devil himself would not stop me and neither would the Ivanov brothers, **Book Betrayed honor flight** " - There wasn't much inner turmoil or conflicting emotions over what he had to do to keep the girl that he claims to want: **Betrayed honore de** She has been in love with him forever and on the day of her 18th birthday party there is a moment - a moment that he then uses to crush her: **EPub Betrayed honor flight** He might feel some sort of way about her but he knows her brothers would never allow him to be with her, **Book Betrayed honor** So a couple of years later when Nadia finds herself in danger of course it is Mikhail who comes to her rescue and he is not giving her up again. **Betrayed Honor kindle** He knows that he can protect her even if he has to go up against her brothers to claim that right. **Book Betrayed honor credit** She was sweet and just trying to make the best of her life even if nobody would admit exactly what kind of things her family was into, **Book Betrayed honorable** The book said that he was about 5 years older than Nadia so on her 18th birthday he was about 23: **Betrayed Honor booking** As a 23-year-old he was already some sort of bdsm master: **Betrayed Honor book** I'm not saying it isn't possible; I am saying I find it difficult to believe knowing some young men in that age range, **Betrayed honorable** He was absolutely dirty and normally that's not a problem for me but I felt like there was a mismatch here that went beyond a normal power difference, **Betrayed honorfne-an00** She even tells him/thinks multiple times that she might have

made a mistake that this isn't what she wanted and that the idea of him was better than the reality: **Betrayed honore de** Mikhail seems to feel a little guilty once he realizes she was a virgin but that didn't really cause him to back off any. **PDF Betrayed honored** He only backed off towards the end when she ran away and her friends explained some things to him. **Book Betrayed honor flight** So in short well-written as usual but I wasn't feeling the intense connection between the two main characters. **Betrayed honorbuilt** Previous book in the series: Vicious Oath Betrayed Honor (Ivanov Crime Family #3) Her innocence was going to get her killed: **Betrayed honorless synonym** She's the protected little sister of the powerful Ivanov Russian mafia family - the very definition of forbidden, **Book Betrayed honor flight** It's always been my job as their Head of Security to watch over her but never to touch. **Betrayed Honor ebooks online** I'm the only one who can save her and I will fight anyone who tries to stop me including her brothers. **Book Betrayed honorable** Now she's done with him or does she think but before more angst between the two happens someone tries to kidnap his woman and that is a no-go for Mikhail, **Suspense Betrayed honor** Her and Mikhail are fighting and having some delicious Hate/sex and figuring out what they are and it's delicious: **Betrayed Honor book** It's been three years since Mikhail Volkov gave into a moment of weakness and kissed Nadia on her 18th birthday, **Book Betrayed honored** As head of security for the Ivanov's Nadia is well off limits to the likes of him. **Betrayed honorbuilt** Now he'll spend the next few years keeping her at arm's length, **Betrayed Honor suspense** When I forced myself to let go of her I could see something die within her bright blue eyes, **Book Betrayed honor health** As the youngest and only daughter of the notorious Ivanov family she has spent her entire life on a short leash, **Betrayed Honor pdf reader** Now that her two best friends are shackled up with her brothers it's evident that Nadia has had no life at all. **Horror Betrayed honored** Desperately hoping that one day he would change his mind and allow us to be together, **Betrayed Honor pdf** Except when Nadia's life is threatened Mikhail realizes that by pushing her away all this time has done permanent harm. **Betrayed honore de** He needs damage control to right past wrongs but like a Neanderthal he is clueless: **Betrayed Honor kindle** "The moment I put a bullet in each of their heads I'm carrying you back to my bed and not letting you leave it for a week, **Book Betrayed honorarium** " How romantic just what every girl dreams of hearing her boyfriend say. **Book Betrayed honorable** Honestly he was a wrecking ball and his handling of Nadia was messed up: **Betrayed Honor booking** Don't get in the way of a mafia guy if you wanna live ☹ just saying ☹: **Betrayed Honor pdf filler** She's drinking with a guy and then Mikhail comes in and kicks the man's @\$\$: **Betrayed honore de** And well he has to punish her for being near another man- they're attracted to each other and now that she's 18 some lines can finally be crossed. **Betrayed honorhall** Except that right before the... um... grand finale (☹) Mikhail feels bad and stops himself (☹☹☹☹MIKHAIL- this is NOT the time for a guilty conscience). **Book Betrayed honor health** Nadia feels irritation and decides she's not gonna just let him do this to her anymore and then 3 years pass: **Horror Betrayed honored** Unlike her best friends she's remained near her brothers her whole life: **Book Betrayed honorlock** There are times she wants to breathe and get away from them especially from Mikhail and his hot/cold demeanor, **Horror Betrayed honored** He ends up saving her life... but that's the saving he does... cause he's p!\$\$ed off she didn't listen to him and nothing's gonna stop him now ☹: **Betrayed honorlock** Oh LAWD- have mercy on my poor kindle... because Mikhail DID NOT come to play ☹: **EBook Betrayed honor health** He's alpha aggressive passionate and primal when it comes to Nadia: **Betrayed honorhall** I don't think I've read a scene with a toy quite like this before ☹. **Betrayed Honor booker** And then... oh jeezus one of my favorite types of ways for an H to discover the h is a v happened- the good old fashioned surprise v scene ☹: **EBook Betrayed honor flight** Which means that Mikhail is her first and ONLY man to ever be with her in all ways ☹☹ in ALL ways ☹, **Betrayed Honor ebookers** Even though he dominates her in every way he's actually sweet in so many as well: **Book Betrayed honorable** He bulldozes the right amount without being too overpowering and this became even more evident towards the end of the book. **Betrayed honorhall** Originally he felt like he isn't good enough for her but that changes when he realizes they're meant to be together ☹: **Kindle Betrayed honored** Zoe Blake did a really great job not

EXACTLY crossing the line into noncon (but some might still consider it that), **Book Betrayed honor health** Why not a full 5 stars? I wanted to see an extended or more into-the-future epilogue, **Betrayed honorable** Plus being the last book in the series I wanted to maybe see the other MCs full HEAs. **Betrayed honorhall** She has nothing- and he's been celibate for years so THAT part didn't bother me. **Horror Betrayed honored** What about pregnancy? lol it didn't cross their minds AT ALL? Personally I looove babies or surprise pregnancies but it was weird that it wasn't even brought up, **Horror Betrayed honored** Betrayed Honor (Ivanov Crime Family #3) Mikhail and Nadia's turn: **Horror Betrayed honor credit** and it was a rough one at least in terms of steaminess. **Betrayed Honor epub file** I wanted to read their story since I got a glimpse of them in the previous books but I feel disappointed. **Betrayed honorbuilt** He got a new toy and was testing all the possible ways to break it. **Book Betrayed honor health** She delights in writing Dark Romance books filled with overly possessive billionaires taboo scenes and unexpected twists, **Book Betrayed honorable** She usually spends her ill gotten gains on martinis vacations and red lipstick: **Betrayed Honor ebookee** She delights in writing Dark Romance books filled with overly possessive billionaires taboo scenes and unexpected twists: **Betrayed Honor kindle direct** She usually spends her ill gotten gains on martinis vacations and red lipstick. He respects them and would never betray them. Nadia is his forbidden fruit. Until one day he realises that it is enough. He has to have her.

Consequences be damned. Nadia always had a crush on Mikhail. He was the one she could never have. Now she has his attention. She has the one thing she thought she would never get. But things are not what she hoped them to be. Mikhail is not a prince Charming. It does leave off on a HEA.)Overall 3. Mikhail and Nadia are amazing and pure fire together. Nadia was not what I was expecting. Mikhail was not either. Heat was there but the storyline was not for me. Felt too similar to the previous reads. Now we find out how Nadia survived it all. Once I started I couldn't put this story down. I needed to know how these two found their forever. My job and my own private hell "yes everyone else may see passed her but not me". It was instant lust from both. Unfortunately when he came to his senses he walked away. So here's the thing. I'm a huge fan of this author. This series so far has been absolutely amazing to read. I did not like Mikhail's character at all. It was just an instant turn around. However Nadia. But Mikhail? I'm not exactly sure how I feel about him. Experimenting? Sure. Participating in that lifestyle regularly? Okay. But at the level of Mikhail? That's debatable. That was if I didn't get to her first. That ends today. She disobeyed me and put herself in danger. It was time to take her in hand. Honor and loyalty be damned. She's mine now. Betrayed Honor (Ivanov Crime Family #3) 3.5 Girls Like Me Stars "Let's start with the obvious. Books by Zoe Blake are addictive. I mean once you start everything else becomes forgotten. And he crossed many lines that evening. A spark vanished. Hope died. I had done that. And pining for Mikhail has accomplished nothing. It's time to walk away. I was being rejected. Again. I was done waiting for him. He rubbed the back of his knuckles down my cheek. She's in over her head. I enjoyed the entire story but Mikhail was a disappointment. Betrayed Honor (Ivanov Crime Family #3) 4.75 stars- loved the last book of the series Ah. The book starts off when it's Nadia's 18th birthday. Oh yeah. I was here for this scene. The back door actions comes quickly in this one "I'd say it's more dubious. I enjoyed it either way "no". The last scene in the epilogue felt abrupt. "safety squad"-no cheating/sharing/owd -OM fight ". OM is drinking with the h in her 18th bday. It doesn't even cross their minds? I mean. She's a v so I get it. Mikhail was a brute and Nadia was too sweet for him. I didn't enjoy their chemistry at all. Facebook {site_link} {site_link} : {site_link} {site_link}.
