

Sweet Savagery (Ruthless Obsession, #3) By Zoe Blake **Sweet Savagery suspense date** Will Ivan make Dylan realize they are meant to be together? Can Dylan accept Ivan's particular brand of possession? What happens when Dylan's criminal family comes after her because of the money. **Sweet Savagery horror books** I would have liked Ivan to come to the conclusion that Dylan was his indefinitely faster and for Dylan to have a little more confidence in her worth but I do think it was all wrapped up beautifully. **Sweet Savagery book** but Dylan isn't having it she doesn't want drama from her uncles but she has no choice she has someones money put away now a scary Russian who is at her job want it and her. **Book Sweet savagery synonym** he gave her a choice ☐☐ so he wasn't evil lol we also get family drama and some murder!!! Lots of back and forth between them two but that was all Dylan who fought the temptation. **Sweet Savagery horror books** Ivan didn't know the meaning of the word No and took what he wanted but he knew that Dylan liked it that much too! He was dark as hell and I loved every second of it. **EPub Sweet savagery def** Ivan is a Russian Arms Dealer and when he discovers that quite a bit of money has been stolen from him if you like completely over-the-top mafia romance with a heavy dose of kinky f*ckery then definitely pick this one up. **PDF Sweet savagery grim** As the MC's relationship develops there is also plenty of humor along the way! I loved getting to catch up with Emma & Dimitri as well as Mary & Vaska as we got to know Ivan & Dylan in book 3. **Sweet Savagery horror books** Those gals wouldn't be walking into a warehouse full of armed men and shouting stop! Police!! I like heroines who not only have backbone but have a bit of cunning and smarts about them. **Sweet Savagery horrortale** Now I didn't hate the book at all in fact as per the previous two I love the steamroller H trope also not ashamed to admit that when the mood strikes a bit of dub-con just really hits the spot ☐ so I loved the steam in this book and loved Ivan even if he was a bit of a Neanderthal at times. **Sweet Savagery horrortale** I did like her first book from this series (Sweet Cruelty - three stars) and I really liked her Dark Obsession series the three from that series are great to read when you're in the mood for some edgy dark romance smut. **Sweet savagery read online free** I especially loved that Emma was included from Sweet Cruelty as that was the book that I enjoyed from this series but having it thrown in there seemed more of an afterthought and came across as an add-on. **Book Sweet savagery** Also while you have to expect spanking as part of the whole smut package with ZB (this is a dark romance after all) the H uses a belt on the h here and that is something I've come to find is a limit for me and I did not care for that as part of the whole dub con here. **Book Sweet savagery definition** Having the H whip her with a belt and leave a mark came across as entirely hypocritical when he suddenly has a problem with a secondary character punching her in the face and leaving a mark. **EBook Sweet savagery def** Finally readers should know that other reviewers are spot on here and the dub con that takes place in the beginning is rape and is pretty disturbing so there's that going on too. **Sweet Savagery book** Try another ZB if you're in the mood for smut no cheating Secondary characters drama sexy times no virgins and no manwhore Recommend-Yes/maybe Cover-☐☐☐☐Heat level-☐☐☐☐Slow-instaburn Push away from h23h/35HDub-conish/noncon Pubishments Underwater force oralViolence Force orgasms No condomAnal play/sexHeaEpilogue English 4 Worth Such Devotion Stars ☐It kills me every time. **Sweet Savagery book** English ALL MY REVIEWS CAN BE FOUND ON MY BLOG: ABSTRACT BOOKS Star Rating : 4/5 Stars POV : Dual Cliffhanger : no Hero : Ivan Heroine : Dylan Pace of the story : Moderate Angst Rating : 5/10 Heat Rating : 6/10 Triggers Involved : Dub Con Scenes Plot Summary : No one steals from Ivan and lives to tell the tale.

So for all these things I'm giving it 3, **Sweet Savagery suspense date** English ***4 STARS***How does a writer make dub con romantic? I've always hated it but this author does such a good job of writing it, **Sweet Savagery horror books** Dylan (heroine) was sent \$500000 through the mail by her uncle: **Book Sweet savagery gaming** The money didn't belong to him but belonged to Russian arms dealer/criminal Ivan, **Sweet Savagery suspense date**

The sex gets primal and there is a lot of taking off the belt for punishments: **Book Sweet savagery gaming** I normally like this author Zoe Blake when I'm in the mood for some smut in the dark romance genre but this book is not one of her best, **Sweet Savagery book** Sweet Savagery is part of a new series from her (her Ruthless Obsession series) and this is book #3: **Book Sweet savagery** This one is just not as well written as her other books: **Sweet Savagery kindle paperwhite** The writing in the beginning is not as good as what I associate with ZB and the flow was pretty choppy and was just not on point: **Book Sweet savagery** I did enjoy the scene with the h's friends (she was introduced to them by the H and they are the so's of the H's from the previous two books in the series), **Suspense Sweet savagery mask** Marking someone's skin is a hard no for me and I found this almost laughable that our H would be such a hypocrite, **Book Sweet savagery meaning** The minute I hesitate and think the author won't do that she does. **Book Sweet savagery** Honestly ZB's dub con is top notch that I feel really guilty thinking it's hot: **Horror Sweet savagery synonym** But if some domineering rich Russian wants to tear off my panties and spank my ass I can make myself available, **Sweet Savagery horrortale** It's always the quiet prudish ones who turn out to be the real freaks in bed: **Sweet Savagery suspense date** Not only did we get a signature alpha Russian in Sweet Savagery Arms Dealer Ivan Morozov was certifiably crazy, **Sweet Savagery horrortale** With the word NO not in his vocabulary his lunacy had no boundaries: **Sweet Savagery horror books** He came to the USA to retrieve stolen money yet gained a wife to be instead, **Book Sweet savagery definition** Even whilst trying to steer clear from trouble it's found her nonetheless, **Sweet Savagery horror books** When 500k appears in her possession there's no time to strategize, **Sweet Savagery horror books** Before she knows it she is unjustly paying penance with her body: **Book Sweet savagery meaning** In his opinion Dylan would be a short term sexual fix during his stay whether she's on board or not, **Book Sweet savagery definition** Except her resistance just rouses his desire and Ivan finds himself destroying everything that stands in his way: **Kindle Sweet savagery def** Admittedly most of the books in this series have had similar storylines which feels a little repetitive however the antics of these Russians still manage to shock and entertain me: **Book Sweet savagery gaming** As expected there are many triggers but if dub con isn't a hard limit I recommend!ARC provided by author in exchange for my honest opinion, **Sweet Savagery horror books** When he goes to retrieve his money from a man named Dylan he gets much more than what he bargained for. **Book Sweet savagery** Only Dylan is not a man and rather an enticing woman trapped in his game. **Book Sweet savagery definition** She doesn't know where the money came from and Ivan knows she is innocent. **Book Sweet savagery perfume** She always knew that her danger loving uncles would one day get her into trouble and so they did. I'm gonna need Maxim and Carrina's story like now. Who he meets isn't a boy Dylan. but Ivan was always one step ahead of her. But boy did I love him. Neither would he let her leave. Dylan was his match in every way. She was an innocent pawn in a dangerous game. I was not a good man. She was mine now. He shows up at Dylan's door and the magic happens.Be warned that this is smut to the smuttiest degree. If you have read Zoe Blake before you should be ok. If not this book has trigger warnings galore. But I enjoyed it. I am a sucker for a Russian bad boy billionaire. English ☐ one star -One star for this one.Sweet Savagery just didn't do it for me. Too distractingly stupid for me.One small star here.Admit it secretly you're a dirty girl who likes it rough. He just didn't know it yet.Dylan Prescott is no stranger to shady dealings.I'm very angry right now. And when I'm angry someone either gets killed or fucked. She will need to accept her fate.If you do this it will be by force.He smirked. You act like that's a problem for me. Besides we both know you like it when I'm rough. That does not mean he will let her go. She was his now. His prize and his in every way. Dylan has led a pretty simple life. When she got a carton full of money from them.
