

The Most Likely Club By Elyssa Friedland **The Most Likely clubjack** The reader has invested themselves in your story and read your book -- why would everything come to completion in a oh how's it going? question within the last few pages? Give me something for spending hours reading 368 pages of this book besides a little chatter on the last few pages. **The most likely club by elyssa friedland** Making something a big deal throughout.

Best clubs of all time

At their milestone high school reunion a group of friends make a pact to finally achieve their high school superlatives one way or another in the lively new novel from the acclaimed author of Last Summer at the Golden Hotel. **The Most Likely clubjs** Is it too late to make their dreams come true? Fueled by nostalgia and one too many drinks they form a pact to push through their middle-aged angst to bring their teenage aspirations to fruition dubbing themselves the Most Likely Girls. **Which club do you frequent** Through the ensuing highs and lows they are reminded of the enduring bonds of friendship the ways our childhood dreams both sustain and surprise us -- and why it's deeply uncool to peak in high school. **The Most Likely clubjersey** But when we move forward to see their middle age lives only Suki seemed like the accomplisher of her dreams with her special app called MakeApp help you exact same make up with the celebrity you choose. **The most likely club by elyssa friedland** Melanie divorced from Josh being replaced with a younger yoga teacher working at local radio station raising her teenage daughter who keeps her own secret dealing with bullies at school. **Best clubs of all time** Priya graduated from Harvard as she's planned but she became physiatrist instead of being oncologist dealing with morons who get into motorcycle accidents and old ladies who pull muscles in water aerobics. **The Most Likely clubjs** And Tara who has been sexually assaulted by her famous chef losing her reputation and chance to open her restaurant sharing a place with her special partner Rachel teaching rich kids how to cook. **The Most Likely clubjack** 9780593199749 About the book: "At their milestone high school reunion a group of friends make a pact to finally achieve their high school superlatives one way or another in the lively new novel from the acclaimed author of Last Summer at the Golden Hotel. **Which club do you prefer** There were also SO MANY side characters-- with 4 alternating story lines it was hard to keep track of who belonged to who and why and then throwing a hey by the way this all worked out accordingly at the reader. **The most likely club by elyssa friedland** I didn't think douchey tech bros were the main audience for this book so why would that be something to include?I've already noted how much was randomly thrown into this book but the kicker for me at the end was the 3-page cancer scare. **Best clubs in poblacion** All in the span of THREE PAGES a MC found something but then it was (of course) mentioned in passing that oh it's all good no worries and her super rich new boyfriend visited her in the hospital isn't that just great! I was flabbergasted that this was included. **The most likely club by elyssa friedland** 9780593199749 I feel like... what the eff was that? Yikes 9780593199749 Delightful and funny! Add this to your TBR immediately! 9780593199749 The Most Likely Club appealed because I love the thought of meeting up for your high school reunion (I still have not gone to any of mine) and using it as a pivoting point for transformation and goal setting. **The most likely club by elyssa friedland** I am older than the main characters in The Most Likely Club (my second child was born in 1997) but I still enjoyed all the flashbacks to the things that were cool back then. **The Most Likely clubjs** Expected publication date: September 6 2022 In 1997 four friends are trying to get through high school hoping that their future lives up to their superlative assigned to them in the yearbook- Melissa "Most Likely to Become President" Priya- "Most Likely to Cure Cancer" Tara- "Most Likely to Earn a Michelin Star" and Suki "Most Likely to Make the Fortune 400". **The most likely club by elyssa friedland** Melissa Priya Suki and Tara all take turns narrating the story and although it is told in the current era the women's memories are peppered with their high school recollections- including all things nineties. **Which club is the best** There's a reason the nineties are making a comeback- but you can't beat the real thing! All of the women are so different in every way yet they remain bonded over their friendships. **Best club of all time**

Struggling with their own expectations and the expectations of a male society each character has their own personal challenge to overcome only endearing them more to readers and making each and every one relatable in their own way. **Best club of all time** With many relevant and poignant topics (such as the #metoo movement and the ongoing never-changing idea of mothers in the workplace) Friedland finds a way to bring these to the forefront while still telling a funny whimsical and nostalgic tale. **The most likely club by elyssa friedland** "The Most Likely Club" centres on female friendships for those of us who didn't peak in high school and it's absolutely a delight! This was my first experience with Friedland but you can bet she is now forever on my radar- I can't wait to see what she does next! 9780593199749

: I don't think this would have been as bad if there wasn't so much going on in this book where events were already hard to keep track of, **The most likely club by elyssa friedland** I think this book fell victim to trying to do too much while doing nothing well. **The most likely club by elyssa friedland** One of my biggest pet peeves in books is when the entire plot is conveniently wrapped up in passing in a rushed ending. **Most clubs played for** In 1997 grunge is king Titanic is a blockbuster (and Blockbuster still exists) and Thursday nights are for Friends. **Which club do you frequent** In Bellport Connecticut four best friends and high school seniors are ready to light the world on fire, **The Most Likely clubjersey** Melissa Levin Priya Chowdury Tara Taylor and Suki Hammer are going places: **Best clubs in poblacion** Their yearbook superlatives confirm it: Most Likely to Win the White House Cure Cancer Open a Michelin-Starred Restaurant and Join the Forbes 400. **The most likely club pdf** Fast forward twenty-five years and nothing has gone according to plan as the women regroup at their dreaded high school reunion. **The most likely club by elyssa friedland** When a forgotten classmate emerges at the reunion with a surprising announcement the friends dig out the yearbook and rethink their younger selves: **Best clubs in poblacion** The Most Likely Club I'm quite annoyed with myself that I didn't set this aside when I was struggling around the halfway mark. **The Most Likely clubjack** The second half of this book completely falls off the rails for me, **Best club of all time** The resolutions for each of the women fell flat and were uninspiring: **The Most Likely clubjs** There was also a casual drop of a triggering event that was only followed up with a one liner pages and pages later, **The most likely club by elyssa friedland** This one had potential but ultimately is not a book I would recommend: **The Most Likely clubjersey** Triggers galore! 9780593199749 Such an alluring and lighthearted read about divine sisterhood of longtime friendship relationships marriages life choices second chances transitioning adapting: **Best clubs of all time** Four best high school girlfriends :intelligent and also popular: **Which club do you prefer** They are actually remaining friends since eight grade dying to know their superlatives at the yearbook, **The most likely club by elyssa friedland** Four of them couldn't be different from each other and they actually find a way to fit in and complete each other, **Best clubs of all time** Melissa; dating with Josh never expecting a future with him because she has big plans to accomplish she's competitive ambitious a the world is her oyster: **The Most Likely clubjs** Half Japanese daughter of former model mentioned as one of the people is most likely to join Forbes

400. **The most likely club pdf** Priya overworked cautious and brilliant aims to graduate from Harvard mentioned as the person probably find the cure of cancer. **The Most Likely clubjack** Most bold relentless one of the group is Tara liking to take much risks creating food art mentioned as most like to open Michelin starred restaurant, **Which club do you prefer** Her marriage raising kids and demanding job take her entire time and now she's offered a promotion, **Best clubs of all time** Her colleagues think she's offered because of diversity policy of the hospital and her husband thinks she's already so much on her plate: **The most successful club in the world** But now one of her competitors open a place close to her with the same concept. **The most likely club by elyssa friedland** Maybe she has to give a try to turn back to restaurant jungle to take a chance: **The Most Likely clubjersey** At the reunion girls minus Suki who is so busy to attend calling them via FaceTime decide to take risks and fight for second chances: **The most likely club by elyssa friedland** Will they catch second chances or fight against new obo life will throw their way, **Best clubs of all time** Overall: even though I had a little hard time to engage with both characters it was still interesting gripping friendship- women's fiction- second chances novel, **Best clubs in poblacion** I love author's brilliant story telling skills and her realistic approach to the day lives. **The most successful club in the world** As a GenX it's easier for me to resonate with characters' predicaments, **Best clubs of all time** Special thanks to NetGalley and Berkley Publishing for sharing this digital reviewer copy with me in exchange my honest thoughts. **The Most Likely clubjack** "Melissa Priya Tara and Suki are four best friends and seniors in high school: **The most likely club pdf** Twenty-five years later they attend their reunion where no one has ended up where they thought they would in life. **Most clubs played for** They pour over their yearbook and see their dreams once embedded in a superlative, **The most likely club by elyssa friedland** Can they still achieve those things?I love a hopeful second chance story and this is that as well as a story of enduring friendship among women. **Which club do you frequent** The 90s pop culture references were fantastic and so much that's relatable happens with the characters, **The most likely club by elyssa friedland** Another enjoyable read from Elyssa Friedland and I can only hope she has another nostalgic read coming up for us soon!I received a gifted copy. **Which club do you frequent** 9780593199749 It gets 2 stars because I finished it but I'm not happy that I did, **The Most Likely clubjersey** This book interested me because I heard such great things about The Last Summer at the Golden Hotel and I'm a sucker for anything with references to the 90's, **The most likely club by elyssa friedland** I started this with high hopes but they were quickly diminished, **The most successful club in the world** Three out of the four main characters were obnoxious and awful. **Which club do you prefer** They were supposed to be best friends but they often spoke poorly of each other and let each other fail. **The Most Likely clubjersey** In one instance in particular a main character (one of the worst IMO) was alerted to an issue with another's (the only redeeming MC out of the group) daughter, **The most likely club by elyssa friedland** Instead of bringing it up to her best friend she snidely thinks about how at least her daughter isn't participating in that kind of (potentially dangerous) behavior: **The most successful club in the world** What is even the point? This book almost had me at 3 stars but there were a few specific things that really irritated me into rage levels: **The most likely club pdf** It made me very uncomfortable that she was constantly willing to cheat on her partner with whoever and whenever, **Which club do you prefer** It just seemed like an extremely damaging stereotype to put onto this character in particular and it made me feel very icky reading it, **Best clubs of all time** I also felt uncomfortable with how the sexual assault story line resolution' occurred. **The Most Likely clubjersey** It was just an all-over mess and it didn't even make much sense, **The most likely club by elyssa friedland** On a less serious note one of the characters ends up staying at one of Elon Musk's homes for a stint. **The Most Likely clubjersey** I swear we must have been hit with mentions of Elon (he wasn't even there but you would have thought he had a starring role) on every page of those two chapters: **The most successful club in the world** I didn't realize it was possible for a book to name drop but it was horrendous, **The most likely club by elyssa friedland** Adding something so triggering to then be resolved in such a blasé manner just put the nail in the coffin for me, **Players with most clubs** I

don't think I've felt this heated about a book in a long time: **The Most Likely clubjs** Unfortunately it's put me off even attempting to read LSATGH which is very disappointing, **Best club of all time** I also really enjoyed each of the characters and how different they are, **The most likely club by elyssa friedland** There were times where I thought that author Elyssa Friedland could have dived deeper into the issues that the women were facing. **The most likely club pdf** Overall this was an enjoyable read! Thank you to NetGalley Berkley Publishing and author Elyssa Friedland for the digital copy for me to read and enjoy, **The most likely club by elyssa friedland** As always my reviews are voluntary and my opinions are my own: **The most likely club by elyssa friedland** 9780593199749 As a '97 grad with a 25th reunion approaching I picked this up for the nostalgia factor. **Most titled clubs in the world** 9780593199749 Special thanks to NetGalley and the publisher for a free electronic ARC of this novel received in exchange for an honest review. **Most clubs played for** Now it's their twenty-fifth reunion and none of the women have made it to where they once dreamed: **The Most Likely clubjersey** All four women are simply trying to keep their head above water as their lives continue to make more and more demands. **The Most Likely clubjersey** But it's never too late to get what you want- and the four women of the "Most Likely Club" are going to prove it: **Best club of all time** Elyssa Friedland brings a clever fun female rallying tale to the pages with her new novel "The Most Likely Club". **The most likely club pdf** The four protagonists struggle to balance life and work raising children and living up to the expectations of society and their teenage selves: **The most likely club by elyssa friedland** I loved reminiscing with the women over grunge rock the Titanic soundtrack cropped tops and Doc Martens: **Most titled clubs in the world** Friendland takes me back to a time when life was simpler. **The most successful club in the world** I rooted for all the characters from page one and each received the ending they justly deserved[1]

And most of them added nothing to the story. Quite unnecessary indeed. The other still struggle with their life plans. Melanie checks dating apps suffering from loneliness. Tara will return to restaurant business. Priya will accept the promotion against her husband's wishes. Melanie will run for a mayor. Many of my reviews can also be found on my blog: www.jennifertarheelreader.com and instagram: www.instagram.com/tarheelreader 9780593199749 RTC at a later date. To begin I hated most of the characters.is just insulting. The first was how the bisexual MC was written. They all had struggles that to me seemed realistic. All the nineties references made me smile or cringe. Glorifying an eating disorder ain't it
