Sweet Brutality (Ruthless Obsession #4)

At least there was mouthwash. **Sweet brutality zoe blake** some details doesn't need to be written or become known at all! Maxim and Carinna's story was steamy kinky and kinda sweet: **Sweet brutality zoe blake** Zoe Blake I laughed way more than I expected I ever would. **Sweet brutality zoe blake** And one of my favorite things is that all his piercings are used throughout the entire book. **Sweet brutality zoe blake** ' No this is an entire experience of all eight different ones but two very specific ones make a girls toes curl, **Sweet brutality zoe blake** "Maxim who you meet in the previous book in this series is a Russian arms dealer and runs into Carinna when he is replacing the locks on her friend's door, **Sweet brutality zoe blake** Carinna is scared of Maxim but also deeply attracted and drawn to the tattooed beast of a man. **Sweet brutality zoe blake** He has come into her life like a wrecking ball and she isn't sure what to make of it or what to do. **Sweet brutality zoe blake** As Maxim continues to barrel into her life she soon finds that maybe they need each other more than they want to admit: **Sweet brutality zoe blake** When rival criminals threaten the life of those Maxim loves including Carinna his possessiveness of her explodes: **Sweet brutality zoe blake** Will Maxim be able to keep Carinna safe? Bring it on Zoe! Zoe Blake Oh lawd all those piercings!!!! Whelp there went

the panies!! That was so fucking hot. **Sweet brutality zoe blake** Damn just damn ☐☐ Zoe Blake Well this was exactly what I expected it to be; insta-love dub/con butt stuff violence and darkness, **Sweet brutality zoe blake** The heroine was just like every other one Zoe Blake writes; poor badly treated by her family feisty with dreams to be (insert traditional female profession here) a pastry chef, **Sweet brutality zoe blake** The hero was just like every other Zoe Blake hero; Russian tattooed dominant bossy misogynistic rich and criminal. **Sweet brutality zoe blake** He lacked the personality of Vaska but had a penis piercing so I guess it all balances: **Sweet brutality zoe blake** This did (the piercing) make the rapey scenes that much more difficult to take. **Sweet brutality zoe blake** Zoe Blake has the ability to make me both cringe and wince during her sex scenes and I did it double time in this one. **Sweet brutality zoe blake** Everything else in the story was pretty conventional kidnapping villains murder and then the heroine giving up everything to be with the hero, **Sweet brutality zoe blake** This is not a feminist tale my friends but I don't read it for that. **Sweet brutality zoe blake** I read it to be shocked and scandalized and it does the job I clutched my pearls the whole way through this one: **Sweet brutality zoe blake** Zoe Blake USAT Bestselling author Zoe Blake delights in writing Dark Romance books filled with overly possessive Billionaires Taboo scenes and Unexpected twists. **Sweet brutality zoe blake** She usually spends her ill gotten gains on martinis travel and red lipstick. **Sweet brutality zoe blake** Since she can barely boil water she's lucky enough to be married to a sexy Chef, **Sweet brutality zoe blake** To keep in touch and score a few free books check out her website at {site_link} www: **Sweet brutality zoe blake** comFacebook {site_link} {site_link} {site_link} Zoe's Facebook Reader Group for weekly signed paperback giveaways, **Sweet brutality zoe blake** {site_link} USAT Bestselling author Zoe Blake delights in writing Dark Romance books filled with overly possessive Billionaires Taboo scenes and Unexpected twists. **Sweet brutality zoe blake** She usually spends her ill gotten gains on martinis travel and red lipstick. **Sweet brutality zoe blake** Since she can barely boil water she's lucky enough to be married to a sexy Chef, **Sweet brutality zoe blake** To keep in touch and score a few free books check out her website at {site_link} www, **Sweet brutality zoe blake** comFacebook {site_link} {site_link} {site_link} Zoe's Facebook Reader Group for weekly signed paperback giveaways: **Sweet brutality zoe blake** {site_link} {site_link} 4 Halo of Red Flags Stars ☐Well one thing is for certain. **Sweet brutality zoe blake** This author definitely knows how to write Russian psychopaths and the woman who know how to attract them. **Sweet brutality zoe blake** It must explain why I'm turned on by this tattooed and pierced assbat, **Sweet brutality zoe blake** In Sweet Brutality we meet Maxim a Russian Arms Dealer and Carinna who happens to catch the eye of this unstable caveman. **Sweet brutality zoe blake** And since he makes his own rules Carinna has no choice but to give into the insanity: **Sweet brutality zoe blake** Don't you know any other English words?" And not a single fuck to give. "No. No. No. That is all you ever say. "I know plenty of English words. Lick. Fuck. Wet. Hot. Cock. Cunt. And I absolutely loved it!! Carinna is a feisty one. Zoe Blake My favorite of the series by far. I need more of these two. Finally a non-tstl h in this series. We saw a hint of the next couple and pass couples. It's that beautiful sassy mouth of hers. She is mine now. I dare you to try and take her from me. Everything I could expect from Zoe Blake. Maxim has by far captured my heart. "Don't you know babygirl? I'm the Devil. Hell is wherever I am. She pushes all his buttons and she knows it. She's the brat that his firm hand needed in his life. It's not a casual 'he's pierced here here and here. Carinna gives him some major sass and it seals her fate. Maxim WILL have Carinna by any means necessary. His large and tanned covered in tattoos. Mine pale and small. A complete mismatch and yet they fit perfectly. Need I say more. Squeamish readers beware.zblakebooks.zblakebooks. "No." "No. No. No. That is all you ever say. "I know plenty of English words. Lick. Fuck. Wet. Hot. Cock. Cunt." The whole situation goes from zero to 100 in moments. "I need to apologize. This is my fault. Apparently I haven't made myself clear. I like you. So I'm going to keep you. For now. Which means you are mine." This wasn't an overly complicated story. Man sees girl decides he wants her and takes her. However Maxim is certainly devoted and enamored. "I need to apologize. This is my fault. Apparently I haven't made myself clear. I like you. So I'm going to keep you. For now. Which means you're mine. All of that is hella illegal!" "And yet here we are. It's definitely NSFW or with a kiddo by your side. Zoe Blake.
