And how hasn't she gotten herself killed by now??? And how can a person so incompetent keep bringing perps in? See and people say these books don't have real mystery in them HA!Well Trenton's population is angry with her for trying to put saintly uncle Mo in jail as well as a young and cute man who works in a fast food chicken restaurant. **Three to Get Deadly humorous** We get to have some more interactions between her and Morrely which is kind of hot and she embarks on a regular exercising routine with Ranger which is a whole a lot of pathetic. **Book three to get deadly review** Yep if that doesn't make you want to read the book you really need to chill!!! \*\*\* 4. Third book in the series and we know the setting well. No OK not really mysterious. She is new and quite frankly she sucks at her job. The book can be read as a standalone.all sorts of mayhem.You can follow my reviews at <https://reviewsbybarbsaffer.blogspot>.5 star read. In this case bad meaning ultracool. Use it or lose it is my philosophy. I didn't do drugs. But business is business and Stephanie is Stephanie. Three to Get Deadly doesn't change a thing about that. No doubt about it.Highly recommended. And if you love ice cream you need to read this one. But she keeps trying and eventually gets much closer. Often with your help.
