

A Regimental Murder (Captain Lacey, #2) By Ashley Gardner :

## A Regimental murdered

Again another great book from Captain Gabriel Lacey's world. **A Regimental murdercaust lyrics** When he gets the plea from a beautiful woman to try and find out who killed her husband. **A Regimental murderapolis** Of course Gabe being the hero with his heart on his sleeve how can he resist? He can't and so begins a whirlwind of past deception and murder: **A Regimental murdercrumpet twitch** It is all Gabriel can do to keep his wits as he fights to find the truth among all the lies. This was a great mystery and a great continuing series. A Regimental Murder (Captain Lacey #2)
